President's Message by Karen Murray, BMCNO President

What a great start to 2019!!!!

January is Membership Appreciation Month!!!

Ronald and I traveled to visit the Baton Rouge and North Shore groups.

Both groups welcomed us with open arms and loved the New Orleans

King Cakes we brought to share. The purpose of the visit is always to hear their suggestions for the club, promote the car show, and upcoming events. It is always good hear their input for club activities.

I like to end the visit with **“Remember this is your club and you only get out of it what you put into it!”** I did get many good suggestions and hope that we can implement some if not all of them this year. Enjoy the pictures.

North Shore - Colin McCormick, Area Coordinator

The North Shore group thanked Cliff Hughes for his years of hard work and dedication as Area Coordinator. The members presented him with wonderful gifts of gratitude for his service to the group. He has decided to pass the baton to Colin McCormick. He will still be very active but not have the responsibility of Area Coordinator. On

behalf of the British Motoring Club of New Orleans and the Board of Directors thank you Cliff for a job well done!!!

President's Message by Karen Murray, continued....

Continuing our visits to the Area meetings we also drove to Central for the Baton Rouge meeting. What a great group of people and what a long drive!!! I was happy to give Rick and Milton their Coordinator Christmas present, meet new

members, and participate in a very unique raffle. It was great fun to see everyone and all of the ladies.

Baton Rouge Gathering by Rick Huber

We had a big turnout for our monthly gathering in January, I think it was on account of the free king cake provided by the club - no, wait - we didn't know there was free king cake, so I guess it was just because everybody knew that Karen and Ronnie were making the

trip up to BR for the annual Membership Appreciation night. The free king cake was nice anyway. No new faces this month, and the two guys from New Zealand didn't make it back for a second month in a row. Karen passed around sign up lists for birthdays, car show volunteers, had a bunch of car show applications, and gave us the scoop on all the potential things that are being discussed as activities for 2019. Highlights are another Keesler AFB visit and a drive on the runway and a train trip to Memphis along with many of our regular events.

trip up to BR for the annual Membership Appreciation

President's Message by Karen Murray, BMCNO President continued...

The Baton Rouge Group hosted another excellent cruise the year. Where they find these interesting out of the way places is beyond my imagination. Thank you so much to Milton Franklin, Bobby Spann, and Rick Huber for one of the best and most interesting events

for me.

Many of you know how much I love Civil War history and Camp Moore opened long closed doors for me. I tried doing research in the National Achieves in Washington D.C. with no success.

My advice to anyone looking for Confederate ancestors is NOT to look in the National Achieves. It is a disgrace and will certainly made you very upset. Their broom closet with one small hanging light and a small file cabinet that has Confederate files thrown in haphazardly will make you want to start your own war.

Camp Moore actually had my ancestors from Mississippi in their files. My parents moved to Louisiana before I was born. My ancestors settled Mississippi in 1717 and 1719. I was in tears when I saw their names at Camp Moore.

What a great experience. I never thought I would ever find info on my family !!!!! Thank you again Milton, Bobby, and Rick!!!

Our trip to Global Wildlife was not successful for Ronald and me. Our beautiful granddaughter Kaylie is a maid in Caesar this year and the ball was the night before. Well after getting to bed at 2:30 a.m., Ronald's response to a 7:00 a.m. wake call was "Don't talk or touch me" . I was dressed

and ready to go at 7:30 a.m.. I really, really wanted to go. It's tough getting old!!!!

Middendorf's on the other hand had a great turnout with 44 people. It is so good to get together before the storm hits (our annual car show)! The club is an extended family. All of you are so special and important to everyone.

Your Secretary Cathy Greensfelder kept an excellent data base. As of today we have 173 members and below is a breakdown of our stats:

Annual BMCNO Car Show

Welcome Reception

Ramada Inn

3400 I-10 Service Rd. , Metairie

Friday, March 22, 2019

It's that time of year to start planning what "wonderful" dish you are going to share with our guests at the Car Show reception on Friday, March 22nd. Let's pull out the recipe books and tantalize our guests with exceptional New Orleans cooking. Serving starts at 6:00 P.M., so please try to have your food at the hotel by 5:30 P.M.

Don't forget that we need members to bring mouth-watering appetizers, casseroles, main dishes, and of course desserts to the Friday Night Reception!!!!!!!

We have had 70—100 people attend this event with all food donated by our members. The club will provide drinks and all paper items. The ballroom has been reserved and has a patio opening to the pool area. It is always a fun night but we do need to rely on our members for their generous donations of food.

So....please join us for this Pot Luck dinner to meet and greet our out of town guests and to catch up with each other. We want our guests to walk away knowing that better food could not be bought in local restaurants. **DATES AND TIMES TO REMEMBER**

Message from Karen Murray President

And the countdown is on. Only a couple more weeks until the 29th Annual BMCNO British Car Show.

I remember my first car show with BMCNO. Our 1976 Triumph TR6 was 3 colors (blue, primer, and rust), the interior was dreadful, wires hanging out, windshield & dash cracked, and all gauges broken. WE THOUGHT IT WAS BEAUTIFUL!!!!!!!!!!!!!! Not only was it beautiful to us, but we had the time of our life at that show and everyone since. Moral of the story - **it's not how perfect your car is but how much fun it is sharing with other British car enthusiasts.** So, if you have a British car that can run, be towed, or pushed onto the field please register. You will not regret participating.

The board has worked very hard on this show and does have a few surprises in store. Come, participate, volunteer, share, and have lots of fun!!!!!!!

Also remember the Friday night "Welcome Reception" at the Ramada Inn 3400 I-10 Service Rd and Causeway from 6:00 p.m. - 9:00 p.m. This is a reception to welcome our out of town guests but has **really developed into a "Pot Luck" get together for all of our club members.** Everyone is asked to bring a covered dish to share. Last year 90 people participated in this event. Everyone enjoys sharing dinner and meeting our out of town guests. The food is delicious, conversations lively, and friendships renewed. Please sit with our guest to make them feel welcome. Also, find time to volunteer a few minutes at the car show.

Things not to miss at the car show:

- ◆ BMCNO Regalia items for sale including T-shirts, cups, wine glasses, tote bags, etc.
- ◆ **Bill Nix "British Breakfast"**
- ◆ Tours of Delgado Community College Automotive Department
- ◆ **Queen's Tea (for ladies only)**
- ◆ Lots of magnificent British cars.
- ◆ Enjoy lunch at our local food trucks.

Everything you need for the 29th Annual BMCNO Car Show is contained in this Newsletter. If you have any questions or concerns contact information is available elsewhere in this newsletter. Remember, **BMCNO has 173 members in the club. We can fill Delgado's field with just our cars. This is your club, so REGISTER AND SHOWCASE YOUR CAR.**

Thanks and see you there,

Karen Murray, President

January Cruise article #1 by Cathy Greensfelder

BMCNO thanks the wonderful folks at the Tangipahoa Tourism Center for serving as our rendezvous point. They provided coffee, cookies and welcome bags containing brochures for Tangi attractions, a cookbook and a detailed map of the Hammond area. (They also have nice, clean restrooms!!)

From the Tangi Tourism Center, we drove the back roads to the Camp Moore Museum and Confederate Cemetery near the Village of Tangipahoa . It was a beautiful, if somewhat cold, day for a drive with gorgeous blue sky's and sunshine. Milton Franklin gets a round of applause for scouting out another lovely drive on twisting little back roads. The Camp Moore Museum had a wealth of Civil War artifacts from munitions to uniforms packed into a small house. A short

movie on the camp was available downstairs. The museum was a fascinating glimpse into history.

From Camp Moore, we went to The Boston Restaurant in Amite City. The Boston has an eclectic menu ranging from sushi to truly enormous hamburgers!

From the Boston, we drove to Kliebert & Sons Gator Tours. The original Kliebert gator farm is a few miles away but is currently involved in estate issues after the death of the owner. They are in the process of relocating the tour operation to a new site but haven't quite finished. (The board walk wasn't finished and the big gators haven't arrived, waiting on new ponds to be dug.) Our

tour guide was fascinating – he lost most of his left hand to a big alligator a year or so ago but is back conducting tours!! Everyone (who wanted to) got to hold a baby alligator about 18” long

and a young (~two foot long) alligator. The young gator, named Jackson, has been held and petted since he was a hatchling and was very blasé about being passed around from person to

person. Of course, it's winter and alligators are inactive this time of year. Our guide said alligators generally don't eat from October until March, living off the fat stored in their tails. We also got to hold a lovely albino boa constrictor. They had a couple of Nile crocodiles and a Mexican crocodile which are MUCH more aggressive than American alligators. We were all instructed to NOT put our hands near the crocs. Gators are very shy and mostly run (or slowly sink under the water) when people come around. Crocs will attack!

15 British Cars and an assortment of other makes made this trip.

Tristan Emmons and girlfriend Alex Satre (Tristan is Keith Vezina's intern. Tristan is a journalism student at Tulane so he will probably be turning in a homework assignment on us!!)

Camp Moore / Kliebert's Alligator Farm article #2 by Your Roving Reporter

Six BMCNO cars from the Baton Rouge area conveyed to the Hammond Welcome Center, where we met up with members from the New Orleans and Northshore area. There was free coffee, water, cookies and welcome bags waiting for us! After a

group picture Rick Huber did a short driver's meeting and then led more than a dozen little British Cars through scenic backroads to the Camp Moore Confederate Museum in Tangipahoa, La.

Camp Wilson was the original Confederate training camp, in the spot now occupied by Metairie Cemetery #2. But after only 2 months they moved to Camp Moore in Tangipahoa. It was the largest Confederate training center, and existed for several years until a union army contingent wiped it out. Several years ago descendants of the soldiers buried there reclaimed 6 ½ acres of the original camp and started a private museum on the grounds.

We got a nice talk from one of the staff, toured the museum and grounds, and watched an interesting video on the history of Camp Moore. All

the workers at the museum are volunteers, and did a great job of explaining the many artifacts.

Then we again took a small highway down to Amite Louisiana to "The Boston" Restaurant. GREAT food there, and we all got to visit with Tristan Emmons, a journalism major from Loyola College who was doing a story on the club and our cruise. He and his girlfriend had a blast and said they never expected so many British cars to attend!

After lunch we formed up and drove down I-55 South to Ponchatoula and Kliebert's Alligator and Turtle Farm. Unfortunately the new location was not near as completed as promised, but our tour guide made up for it. The small Cajun man was very knowledgeable about the reptiles, turtles and snakes, but had lost his left hand to an alligator last April – while feeding 5 large males, during a Kliebert's tour! Ahhhhh!

Several members got to hold a large tortoise, an Albino Boa Constrictor and a small crocodile. He said the fresh water crocs here in the states were much more dangerous than alligators.

It was a beautiful, cool day and nobody broke down!!!

Middendorf's, by Roving Reporter, Bobby Spann

Wow, great time yesterday at Middendorf's! Thanks to Milton for leading us over there.

Our group included Milton & Annette in the Jag, Danny & Dana in their red MGB, me and my mom in my primrose B, and

John & Ginny in their Triumph TR-3A. Smooth trip over to Springfield, and down to Manchac Pass. Reg and Barbara were there but I didn't see any other BR folks. Food was a little slow getting to *our* table, but the thick cut fried catfish was good as I remember. Good crowd of BMCNO members turned out but I don't know

how many had gone to the Global Wildlife Center. I did here Audrey say they she and jack had gone antique shopping earlier.

Two Amtrack trains blew by while we were there and we had a good view of them out the window... And my mom really enjoyed seeing the ducks and chickens out back when we were leaving too. It is fascinating to see her still get excited over birds and ducks and turkeys! While she had a great time riding in my little British car, mom kept asking me why it was so loud! Unfortunately when I got home I put my leftovers in the fridge and took a long nap. When I woke up... they were gone! :)

Cruise Safe,

Calling all British Motorcycle Owners

It has been suggested that the club work to increase the number of British Motorcycle owners. If anyone knows someone who owns a British Motorcycle please contact them about participating in our club.

Milton Franklin, Baton Rouge, is interested in organizing motorcycle events for owners of British Motorcycles. Harley groups are always cruising the roads so we would like to start British motorcycle cruises. We would also like to increase the number of motorcycles at our Annual Car Show. So...let's start looking for British motorcycles to give our business cards and brochures too. If you need more please contact Milton at densalprop@cox.net.

45th Anniversary

2019 SC VTR REGIONAL

LAKE TEXOMA, TX

April 24-27, 2019

Tanglewood Resort in Pottsboro, TX

This year's DY-NO-MYTE Regional is highlighting the introduction of the Wedge 45 years ago.... back in 1974! The Funkana this year is gonna be hotter than the Towering Inferno! Badges? You won't need no stinkin' badges to drive the Gimmick rally through the North Texas backroads. Hopefully you will be "Gone in 60 Seconds" or less, in the thrilling Autocross. Don't have a "Death Wish" with your lack of Triumph knowledge as you're gonna need it to make your way through the Triumph

Historical walking rally, can you dig It? Go through your attic and pull out those 1970 inspired groovy duds....you know, the ones that made you the cool cat, because we're having a costume contest during Thursday evening's Welcome Party.

There's going to be a cash prize for the best-dressed person, so boogie on down.

You'll be sayin' "De Plane! De plane! when you walk through the Perrin Air Force base Museum which is very close by. It was used in World War II as a pilot testing station and sort of a "guinea pig" for many new ideas that were adopted by the US Air Force. The Hagerman National Wildlife refuge is located just south of the hotel and offers great views of migratory shorebirds and white pelicans as well as the Monarch Butterflies as they migrate their way north. There are plenty of restaurants and great shopping in near-by cities of Sherman and Dennison, like a brick house.

Escape to the tranquil Texas setting of Tanglewood Resort situated on Lake Texoma. Tanglewood Resort offers the finest accommodations, a wide variety of exciting activities, excellent meeting facilities and an experienced, qualified staff sure to make your stay memorable. From fine dining to a casual pool-side experience at Barnacles Sports bar & Pizzeria, they might even serve a Diablo sandwich and a Dr. Pepper if you're in a hurry. Tanglewood Resort offers a wide range of resort amenities: relax at one of 3 pools or the hot tub. Enjoy volleyball, basketball, horseshoes, or a tennis match at one of the lighted tennis courts, or sit back and relax.

To register at the hotel, call (800) 833-6569, the Regional daily room rate is \$109.00, so Book 'em Danno. You can also see the facility at www.tanglewoodresort.com
