## **President's Message**

The 17<sup>th</sup> Annual New Orleans British Car Day is now history. We had 118 vehicles from nine different states attend this year. The Longest Distance Driven Award (in their British Car) went to Janel Demick, who drove her 1966 MGB over 700 miles to attend our show.

My heartfelt thanks go out to all of the volunteers, donors and guests that made this show a success. It took a lot of hard work from many people to make this happen and I want you to know that we are grateful for your efforts.

I have not attended a better Friday night reception than the one we had this year. The decorations and linen tablecloths added an elegant touch to the wonderful fare of red beans, crawfish and corn soup, shrimp fettuccini, shrimp cocktail, shrimp stew (I'm beginning to sound like Bubba Gump) salads, homemade cookies and cakes.

Our complimentary photographs in the gold trimmed black presentation folders were without peer. We had the 118 photographs printed and ready for distribution in less than three hours. This was no small feat considering that the local processors are much farther away now in our post-Katrina world.

The parking went smoothly and, due to excellent pre-planning, minimal re-arranging was required for last-minute class changes. The trailer parking, although tight, was also well managed.

The registration desk, as usual, was a well-oiled machine. They handled the mid-morning registration rush and early afternoon ballot scramble without a single complaint.

The t-shirt artwork was a big hit this year and the trophies were much improved. This was one area where we fell short last year so we went to a new trophy vendor to get some fresh ideas.

Not even the once-every-five-year national event I attended last year came close to matching the quality of the canvas tote goodie bag we gave all of our attendees. Another thing the Nationals could not match (even with an extra 24 hours to work with) was our ability to personalize the trophies and display the winners' photographs on a screen for the presentation at the Awards Dinner.

We are always looking for ways to make our show better and with your help it will be.

Keith Vezina

## **March Minutes, 2007 by Cathy Greensfelder**

### **Past Events:**

Wally Friloux reported on the New Car Dealers Show. Wally, Cliff Hughes, Allen Bradley, and Roger Nagy took their cars. Wally said it was quite an experience but he would not be doing it again. When he arrived, the guard told him he had too much gas in the tank so he couldn't bring the car in. He took the car out, pulled the wire off the sending unit so the gauge read "empty" and came back. A different guy was at the gate and let Wally and Roger in without checking the gas gauge on either car. The cars were locked down in the hall for three days. The entire time they were there, Wally, Cliff, Allen, and Roger took turns telling people to not touch and getting little kids get out of the cars. They finally had to lock Roger's Mini and a nearby Rolls Royce to protect them. Cort Musgrave jokingly volunteered to show everyone how to rig a car's coil to give a shock to anyone who touches the car!!

The Goodie Bag party was well attended and the bags were assembled in record time.

### **Car Show:**

The sign up sheet for food for the Friday Night Reception was passed around.

At the end of the meeting there were 80 cars registered for the show.

### **Future Events:**

Plans for the Car Day Appreciation party were discussed. The club will be providing burgers and soft drinks for all the show volunteers.

Plans for the convoy to the Pensacola show were discussed. South shore members will be meeting at 9 am at the closed bank across the street from the Plaza mall at Read & I-10. They will meet the North Shore members at the Stennis exit off I-10.

### **Member Projects:**

Ronnie Palmisano's car's hood was getting painted the day of the meeting.

Dan Melesurgo reported that Steve Klein has bought Shreve Automotive. Steve is moving the business to his location near the airport and concentrating on restoration work.

Roy Richardson won \$33 in the 50/50 drawing. Roger Nagy, David Denson and Cathy Greensfelder each won 2005 show t-shirts. §

## CHEF'S CORNER by Karen Murray

### Antoine, Drago's, Brennan's, and Commander's Palace - move on over.....

Introducing the *FABULOUS* chefs of the British Motoring Club New Orleans. This club is known for the love of great cars and great food. The love of New Orleans cuisine was never more evident than at the Friday night gala. Out of town guests were not disappointed in the culinary delights provided by club members. We will have enough recipes for the next six months.

I would also like to thank everyone who helped make this event a huge success. I will never forget Allen Bradley setting up the chocolate fountain like a little boy with his erector set. Roger Nagy and Deryl Lynn Roberts were very dutiful in warming all of the Red Beans in the hotel kitchen. Susan Bradley was instrumental in organizing the six tables of delectable food. Margaret Friloux used her library skills to make sure every dish was properly labeled. Keith Vezina and Wally Friloux helped organize the 100 plus cold drinks and water. The artistic decorations were the creations of Susan and Allen Bradley, and Cathy Greensfelder. The messy job of clean up was taken over by Joy Watts and Mike Brown. And last but not least, no one will forget Donna Nagy's thoughtfulness in bringing zip lock bags for Roger's left-over cookies. The cookies were great for breakfast the next morning at the registration table.

It is truly wonderful to work with people that ALL pitch in and help. As the Friday night Gala chairman, I would like to sincerely thank everyone for helping to make this a huge success. No other club can throw a party like ours.

# 2007 British Car Day Volunteers

We would like to thank all the volunteers who worked the show. Having lots of people to help makes something like this so much easier. This is a list of everyone we had written down and everyone we could remember.

If we missed your name, our sincerest apologies. Thank you all, very, very much!

We would like to thank Anne and Floyd Friloux, owners of Lubriport Labs, for storing all the show paraphernalia in Lubriport's warehouse, inventorying it, hosting the Goodie bag party, and carrying all the equipment to the show in their trailer then back to the warehouse for storage afterwards.

Anne and Floyd, it would be so much harder to do the show without Lubriport's help.

Thank you.
