## ***President's Message by Karen Murray***

Whooooosh... where did September go??? I cannot believe how fast September came and went. I think because we were not under the stress of an impending hurricane the days just flew by.

Ronald and I have just finished attending all

area gatherings. We were welcomed with open arms and enjoyed each meeting tremendously.

Baton Rouge has moved to a great English Pub with a big Double Decker bus outside. Attendance has grown tremendously with this new restaurant and motorcycle owners are now attending. Thanks Rick and Milton for your hard work.

The waitress at the North Shore meeting wanted to know how a woman was invited to the British Car Club Meeting. When I explained that I was President she then wanted to know if they were in trouble. I really wonder what kinds of meetings the North Shore has when I am not there.

The Gulf Coast meeting was great with a beautiful Spitfire and new people that I did not know attending. Topic of their conversation was the upcoming Cruisin' the Coast.

Again, I am reporting that another MOM has moved on. Cliff Hughes was notified that his 87 year old mother passed away in Colorado. Cliff will have a memorial for her on the North Shore in November.

Speaking of all the loved ones that we have lost recently the board of directors has just signed an agreement with Dignity Memorial that will benefit all of our members. The company offers this type of free agreement to clubs, businesses, and organizations free for charge. Your area coordinators will have your packets and will be able to answer your questions or you may contact Steve Lindsley.

Thanks to Don Marpe who has again agreed to Chair the Annual Car Show on March 22nd. Let's mark you calendar for our 24th Annual Car Show. Steve Lindsley, our resident artist, has started working on the new t-shirt designs but would greatly appreciate any and all suggestions. New color again this year???

October is jammed packed with British Motoring Events to choose from. Please mark you calendars for the following events:

**Oct. 4th -6th**—Euro Fest Classic European Auto and Motorcycle Colony Park in Ridgeland, Ms.

Check out their website for more info.

<http://www.euro-fest.net/>

**Thurs. Oct.10th**—Cruisin' the Coast to meet and collect all stamps.

**Sat. Oct. 12th**—Cruisin' the Coast BMCNO organized by the Gulf Coast satellite. Check out article on pages 8-10 for details.

**Fri. Oct. 25th & Sat. 26th**—South Alabama British Car Show in Foley, Alabama. Check out the monthly calendar for convoy details.

Board of Directors elections are held in October at the General Meeting on October 29th. If you cannot make your area or the general meeting and would like to vote please follow our by-laws:

As of the September board meeting we have the following members nominated and seconded for office:

President—Ronald Palmisano

Vice President— Karen Murray

Secretary—Don Marpe

Treasurer—Jack Kennedy

Member at Large: Chad Wicker, Steve Lindsley, Melissa Brauen, Kevin Colley, Javier Coronado, Reggie Dunbar, Allen Mocklin

**"ABSENTEE VOTING**—Absentee ballots must be submitted to the Secretary (Chad Wicker) no later than 48 hours before the General Meeting at which any election or vote is scheduled to take place."

## August 2013 General Meeting Minutes

Chad Wicker was unable to attend this meeting so Pete Weber graciously agreed to take the minutes. Thank you Pete!!!

The meeting was called to order at 7:05 p.m., by President Karen Murray.

### OLD BUSINESS DISCUSSION:

First up was a discussion on the UnCar Show sponsored by the north shore on Saturday, August 17th. Due to the severe weather forecast for that day only 19 people attended this event. Cliff Hughes, North Shore coordinator, decided to just enjoy everyone's company instead of having a competition for the worst car. Also, all cars that attended were in very good shape.

Cliff gave a recap of the North Shore area gathering for the month of August. He also said that their monthly "Coffee & Cars" was successful attended.

Jack Kennedy, club Treasurer, stated that 114 members were paid with 50 past members still not heard from.

A car show sponsor award shirt was presented to Don Marpe. Jimmy Hoppe was not in attendance to receive his jacket for bringing in the most money.

The board of directors voted to approve the club bank account moving to a community account. This will save the club \$15.00 per month.

Allen Bradley announced that he and Susan bought a new house in Harahan and he plans to expand the garage to fit all of his British cars. Good luck with that!!

### NEW BUSINESS DISCUSSION:

The following upcoming events were discussed:

**Sat., Sept 21st—EMC "Brits on the Cliffs"**  
Natchez, Mississippi,

**Sun., Sept. 29th—Funkana—Broussard, La.**

**Thurs. Oct. 10th—Cruisin' the Coast** to get all stamps.

**Sat. Oct. 12th—Cruisin' the Coast—BMCNO DAY**

**Sat. Oct. 26th - South Alabama Car show** in Foley, Ala.

**Sat. Nov., 9th—E.E. Reynolds Rallye**

**Sat., Dec.7th -BMCNO Annual Christmas Party**

Steve Lindsley, Member-at-Large, spoke about a free club agreement with the company that he works for regarding funeral arrangements. The final agreement will be discussed and signed by the board of directors.

Karen discussed a new committee that was being formed to look into the possibility of hosting regional car shows for national organizations such as VTR and MGA. Harold O'Reilly is the chairman. If anyone is interested please contact Harold.

Members signed a card for Tiara, our waitress, who is leaving to finish her nursing program at Delgado Community College. A collection and a \$100 club donation was presented to her.

A great presentation was given by Jack Kennedy on MGA's with questions that followed. Jack also let the discussion on member projects.

50/50 raffle took place and members were able to win door prizes.

## ***Baton Rouge Gathering by Rick Huber***

Fifteen of us got together at the Londoner on Tuesday the 17th for our monthly club outing. This month we had special guests Karen & Ronnie stopping by for some authentic British fare. Second time attendee George Smith

brought his wife Judith this time, and we were glad to have her join us. New members Bill Steed and Bobby Spann came back for another meeting, and Karen told them that both of their welcome to the club packets were "in the mail". One of Milton's friends, Skipper Johnson, not yet a member, joined us again for good food, car talk, and camaraderie.

No one had attended the Uncar Show in August, so Rick mentioned what he had read in the newsletter. Next we went over the large list of upcoming events, we're pretty much booked every weekend with car stuff if we want to be for the next 6 weeks or so. What a time to be a little British car or motorcycle enthusiast with so many things to go and see and do.

We rekindled the Trivia Contest from Bill Avery's September newsletter article and Rick even brought prizes for the winners. This night was a heated competition between Bobby Spann with a

quick thumb on the buzzer, and Milton Franklin, who coolly and sometimes correctly gave his version of the answer after Bobby. When it was all said and the score was Milton one, Bobby one, and Bill two, having stumped us with two of the answers. It sure is fun guessing and talking about possible answers only to find out that many of us don't really know what we're talking about, but we play a good game trying to convince each other that we do. Hey, that's what makes it so much fun. Thanks Bill for entertaining us with the Trivia.

Karen talked to us about the club and events and offered to accept candidates for several open board positions. To tell you the truth, that was the quietest this crowd was the entire evening. Looks like Reg will continue on as the only Baton Rouge area rep on the board for another year. Karen was asked about club growth, and she said that the club continues to grow and part of the reason is the satellite gatherings and people bringing in other people that they know, or using the membership cards to put on cars that they see, so keep up the good work! Hope to see many of you at some of the terrific events we have coming up the rest of September and October/November.

Cheers

## 24<sup>th</sup> Annual British Car Day – March 22, 2014

March 22, 2014 may seem like a long time from now, but when you are preparing for the biggest event the British Motoring Club New Orleans hosts every, you can never start too early. The date for the show has been set and the green space at

Delgado College has been reserved. The list of web sites and magazines that will be contacted to publicize the show has been developed. The potential host hotels are being evaluated and the announcement brochure that will be passed out at other car shows has been prepared by Chad Wicker.

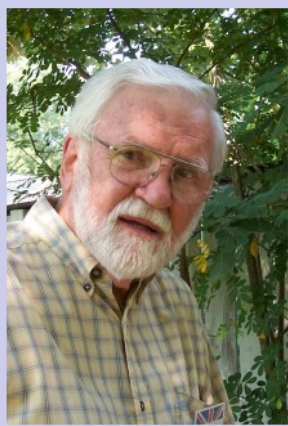

We will be looking for volunteers to be chairman for the key activities that make the show a suc-

cess, so contact Don Marpe ([bdmarpe@att.net](mailto:bdmarpe@att.net) or 504-812-8611) if you would like to continue as the chairman of an activity or if you would like to start being one. If you do not what to be the lead on any events, there will be lots of activities that need workers. There will be volunteer sheet sent out as the event gets closer.

The Board Members are starting to look at ideas for the car show shirt design, so if you have any ideas, send them to any member of the board. Steve Lindsley will again do the actual design of the shirt and he is open to all ideas.

Mark your calendars and make a list of the things that you want to do to your car so that you will bring home an award that will have “24<sup>th</sup> Annual British Car Day” across the top.

## AUTO TRIVIA..Back on track.. For now! by Bill Avery

1) # ( @ \* % ( , “Hand cranks be damned, just rub some coal oil on my wrist and I’ll build an electric automobile starter “.

Who bellowed that and then did it?

2) When and where did early drivers come upon the First Drive-In restaurant?

It’s name?

3) What car and driver caused NASCAR to impose more controlled measures as to available horsepower and speed for its growing popular contests?

4) Pennies and nickels, of little worth today, once fired hand-cranked peep-shows.....and our first parking meters.

In which city, state and year did the meters debut?

P.S. Now these bits and a fiver’ll get you a café-du-jour at Starbucks....But they’re just what I’ve been asking for. Thanks to the Franklin and Dunbar duo of the “Baton Rouge Gathering” Thank or blame them and join in lest I resort to an excess of “Mental Motor Meandering” or “Bill Bench-Racing Solo.”

## ***Chef's Corner by Karen Murray***

### **Anne Friloux's Famous Microwaveable Pecan Pralines**

3/4 cup buttermilk	1/8 tsp. salt
2 cups sugar	2 Tbsp. butter
2 cups pecan halves	1 tsp. soda

Stir together milk, sugar, pecans, salt, and butter in a 5 quart dish. Cook on high 12 minutes, stirring at 4 minute intervals. Stir in baking soda until foamy. Cook on High 1 minute longer. Beat mixture until tacky, about 1 minute. Drop by teaspoonfuls on a sheet of foil. Makes 5 1/2 dozen.

**Anne Friloux**

These containers came filled to the top with Anne's famous pralines. I couldn't get a picture of the full container because people were waiting for them. They grabbed and ran with them. Yum!

## ***Calling all British Motorcycle Owners***

It has been suggested that the club work to increase the number of British Motorcycle owners. If anyone knows someone who owns a British Motorcycle please contact them about participating in our club. Milton Franklin, Baton Rouge, is interested in organizing motorcycle events for owners of British Motorcycles. Harley groups are always cruising the roads so we would like to start British motorcycle cruises. We would also like to increase the number of motorcycles at our Annual Car Show.

So...let's start looking for British motorcycles to give our business cards and brochures too. If you need more please contact Karen Murray for extras.
