President's Message by Karen Murray

At last FALL has arrived!!!! We can now wear jackets, watch the beautiful changing of the leaves, and wait for the snow to fall. OF WAIT---that's north not south of I-10. Anyway, we can still drive our beautiful cars without the intense

heat and humidity.

October car events were planned for every weekend, all you had to do was choose which one to participate in. The month started with Cruisin' the Coast. A big thank you to Gulf Coast coordinators Peter and Melissa Brauen, who organized two great days involving our club. Thursday was the day for cruising and getting all of the stamps collected. Saturday was set aside to park at the old VA Hospital on the beach and enjoy the cars in the company of good friends. Dempsey's Restaurant in the Kiln was the icing on the cake to end the day.

Friday, October 25th was the convoy to Fairhope for the South Alabama car show with delicious oysters at the Original Oyster House and a fun reception that night. It was great catching up with old friends from other car clubs around the south. Saturday was beautiful with great weather and amazing cars. That weekend ended with the traditional trip to Guido's Italian Seafood Restaurant.

Club Business

I have just found out after 7 years on the board that BMCNO does have a Facebook page. Log on Facebook and search for BMCNO to post what you are doing and where you are in your car.

If anyone has a request or comment please email

that board member directly. One of our members sent me an email at bmcno.org but I do not monitor that address. That address is monitored by the Secretary when necessary. All requests, comments, and suggestions are taken seriously by board members and brought up at board meeting. Please use our personal email addresses listed on the page with board information.

Check out the article for E.E. Reynolds on Saturday, November 9th. We are looking forward to a large turnout with lunch ending at Parkway Bakery (the 2nd oldest Po-boy restaurant in New Orleans). The weather is beautiful so we can drive with our tops down and not melt with heat exhaustion.

It's that time of year to start organizing our Annual Christmas Party. The party will be Saturday, December 7th at the Bocce Club. Check out the invitation included for all of the details. Let's start deciding what pot luck dish you will bring. Remember the club will provide the fried turkeys and baked ham.

The board has voted again to collect food for the Second's Harvesters Food Bank. For every food item that you bring in you will receive a raffle ticket for our great drawings. Prizes have been gathered and ready to pass out. Last year we donated 161 pounds of food and a \$20 check donation.

I hope to see everyone at the Christmas Party!!!!\

Congratulations to the new 2014 Board of Directors. May you enjoy the honor as much as I did!!!!

September 2013 General Meeting Minutes by Chad Wicker

The September Member meeting was called to order at 7:06 pm by Club president Karen Murray. Karen reintroduced some member that haven't been to a meeting in a while, including David Stiebel, Sam McGrew, and Cathy Greensfelder.

The North Shore Cars and Coffee was attended by two members, likely due to the rain. The Baton Rouge meeting was well attended. Cathy Greensfelder discussed the Natchez Car Show. There were around 40 cars in attendance and the goodie bags were well stuffed. Steve Lindsley handed out paperwork for the plan that was presented to the group.

The E.E. Reynolds Rallye, Saturday November 9th, was discussed. Don Marpe presented an update on the 2014 Car Show preparations. Grill Badges were discussed with 2 people interested. Realistically, we would need to have a full order to be able to get another batch produced.

The Bill Avery Trivia contest was held, much to the enjoyment of those in attendance. Audrey Kennedy won a Mini Flashlight and a squeegee

for her two correct answers. David Stiebel won a squeegee and Keith Vezina won a Club Hat.

The Board of directors nominations were presented with Ronnie Palmisano as President. Karen Murray as Vice-President, Jack Kennedy Jr. as Treasurer, Don Marpe as Secretary. There will be an election for Members at Large as there are 7 running for 6 seats. The Candidates are: Melissa Brauen, Kevin Colley, Javier Coronado, Reg Dunbar, Steve Lindsley, Alan Mocklin, and Chad Wicker.

The Presentation of the month was on Triumph. OJ Williams discussed TR6 History. Peter Weber discussed the Triumph Stag. Ronnie Palmisano discussed buying a TR6.

Max Benson discussed shipping considerations for his MG-B, with current costs of \$1200-\$1300 for shipping and paperwork for taking the Car from the UK to the US. Allen Bradley discussed that he is moving to another house in the general area.

The 50/50 drawing for \$16 was won by Cathy Greensfelder. Don Marpe and Peter Weber won a t-shirt. Allen Mocklin won Leather wipes. Rick Huber and David Stiebel won a Club Hat. Steve Lindsley won a Club Visor.

Calling all British Motorcycle Owners

It has been suggested that the club work to increase the number of British Motorcycle owners. If anyone knows someone who owns a British Motorcycle please contact them about participating in our club. Milton Franklin, Baton Rouge, is interested in organizing motorcycle events for owners of British Motorcycles. Harley groups are always cruising the roads so we would like to start British motorcycle cruises. We would also like to in-

crease the number of motorcycles at our Annual Car Show.

So...let's start looking for British motorcycles to give our

business cards and brochures too. If you need more please contact Karen Murray for extras.

Baton Rouge Gathering by Rick Huber

Eleven of us from Baton Rouge contingent of the club got together at the Londoner on an absolutely fabulous fall Tuesday the 22nd of October. For the first time in several months, no new faces joined the group. We talked for a

long time about past events, with Rick talking about the Funkana and Renaissance Euro-Fest, Bobby, Pete, and Rick talking about Cruisin' the Coast, Milton talking about the Barber Motorsports Park event, and best of all John Pearson talking about his round trip to Milwaukee in the TR-3 he's owned for 50 years. What a trip, 26 hours of driving each way, went to Road America in Elkhart Lake with his grandson, participated in track day for this year's Kastner Cup for historic Triumphs, and best of all, wife Ginny joined him for the ride home.

Rick talked about upcoming events at Fairhope, another Renaissance here in Baton Rouge on Nov 2, and the EE Reynolds Rally on the 9th. Tom talked about a vintage sports car race at NOLA motorsports park on the 2nd, and Bobby talked about Doug Miller's auction here in Baton Rouge, also on the 2nd. Busy day for automobile enthusiasts. Bobby reminded us of Cruise Nights, the last month for many of them, on the first 3 Saturday nights in November.

We played another month's rendition of Bill's trivia contest, with prizes taken home by Rick, Milton, Bobby, and new member George Smith. Bill even tantalized us with a couple of additional trivia questions that weren't in the newsletter.

We held an election for 2013-2014 officers before

devoting our "projects" discussion to Bob's new 2014 Corvette including Bob's description of the car and how it compares to his two previous generation Corvettes, and then we spilled outside for a show and tell around the car where he fired it up and we oooooed and aaaahhhhed, took pictures, and talked about modern technology compared to our 50's and 60's cars.

As usual, quite an enjoyable evening for those of us who made it out on a gorgeous fall evening.

A little More!

I just found out that Doug Miller's car auction will be held at 9:00 on November 2nd. Viewing of the cars will be the previous 5 days or so. The address for Doug's "Toy Box" is 11641 Investor Ave, which is over by Seigen Lane near the Harley shop.

Please pass this on to the club members - a few of them expressed interest in going. Doug has a dozen motorcycles including a Triumph and Royal Enfield? Hot rods and muscle cars too... There will be other autos on consignment and a major TV auctioneer will be there.

Cheers,

Rick

Cruisin' The Coast by Karen Murray, BMCNO President

Club members from the South Shore, Baton Rouge, and North Shore groups met at the Mississippi Welcome Center on Thursday, October 10th to kick off their 2013

Cruisin' the Coast ex-

perience. Members convoyed together to meet Peter and Melissa Brauen at the old Veterans Administration Hospital on the coast between Gulfport and Biloxi where they need to pick up their registration packets for the event. The weather was absolutely perfect with not a cloud in the sky and an early morning temp in the 50s.

The first stop for the Gulf Coast Group was Bay St. Louis' Old Town where their cards were stamped and cruised through the venue to the amazement of the crowd gathered there. From there the Gulf Coast group proceeded to Cruise Central in Gulfport to pick up registration packets and meet with the other club members from Louisiana.

The next stop was Ocean Springs, and there we encountered the only real traffic we had experi-

enced so far. It took about fifteen minutes of stop and go to get into the venue which was absolutely packed to the gills. Again, the appreciation for *our* cars was overwhelming; it seems everyone has

owned one or known one at some point in their lives. We found a place to park on a side street just a block off the main drag and walked around

Cruisin' The Coast

the corner to eat at a wonderful little Italian place called Al-Frescos. After some much needed lunch and a cold beer (or two) we headed back to the cars to continue cruising' and collecting stamps.

From Ocean Springs it was back on the road to the D'Iberville venue to once again get our ticket(s) stamped. As this locale was just a parking lot, we simply cruised through rather than stopping and walking around.

Next stop was Edgewater Mall Biloxi to claim the final stamp on our cards. We had intended to get out and use the facilities in the Mall but as it turned out, parking was near impossible and we decided to head back to

cruise central instead.

Once back in Gulfport, we turned in our completed cards for a chance at the \$500 door prizes (40 of them). From there it was back home to some much needed rest and Air Conditioning.

Saturday was the "Big Day" and the venue was Cruise Central in Gulfport. No less than fifteen British cars gathered in one spot, plus a couple of strays that stopped in while cruising through. The crowd thoroughly enjoyed the display, and everyone was in agreement that maybe 3 days were needed to enjoy collecting stamps, cruising, and parking for next year.

After a fun day of watching cars come and go and having everyone admire our cars it was time for lunch. Convoying to the restaurant was great fun and almost like a parade with spectators waving a clapping when we passed. Peter & Melissa made arrangements at Dempsey's in the Kiln for a great seafood meal. Dempsey's is part of the Jack Dempsey's restaurant from Poland Ave. in New Orleans.

After heartfelt farewells it was back to our homes for the night. This was a great event and everyone should try and participate next year!!!! It is well worth the money and time spent.

AND THE WINNERS ARE.....by BMCNO President, Karen Murray

Thomas Boudreaux, Johnson Buquet, Mike Baker, Wally Friloux, Frazier Rice, Sandy Walter, and Keith Vezina all won places at the South Alabama British Car show in Fairhope, Alabama on October

26th. Bill Silhan also won best of show this year. Other members that attended were Karen Murray, Ronald Palmisano, Dan & Mary Male-surgo, Cathy & Mark Greensfelder, Jack & Audrey Kennedy, and Cort & Mary Ann Musgrave Sr.

Fairhope was the ideal weekend including cool breezes, sunny skies, great cars, amazing food, and fantastic shopping. The weekend couldn't have been better or more fun. As usual the convoy left Friday morning picking up people at the Mississippi Welcome Center. Lunch was at the Original Oyster House in Alabama with dinner at the Welcome Reception which was in a new and bigger location. We again stayed at the Baron's Hotel with the our friends from the Mississippi Club.

Saturday the ladies left after breakfast for their long awaited downtown Fairhope shopping trip.

The ladies did meet for lunch at Sandra's Restaurant. The men were washing and cleaning their cars and registering for the show. Saturday night dinner was at one of our favorite restaurants, Guido's Seafood Italian Restaurant, with amazing food.

Sunday morning was the convoy back to New Orleans. Everyone had a great time and it was really sad to say goodbye to our friends from Florida, Mississippi, and Alabama but all of them promised to see us in March for our car show. We even have a bet with the Alabama club. We registered 101 cars for their show so they have to outdo that number. Let's see how many they bring!!!!!!

24th Annual British Car Day – March 22, 2014

Saturday March 22, 2014 is less than five months from now and preparation for the car show is starting to pick up. The contract with Delgado College has been signed and the money paid. Steve Lindsley is finishing up

the final touches on this year's shirt design and that design will be used on the awards for the show. The brochure announcing the car show has been given out at the recent car shows attended by members of the club and the announcement that goes to every British Car related website and calendar publisher will be sent out next month. In the next few weeks, the car show registration form will be added to the BMCNO web site and the online registration at www.clubregistration.com will be set up.

After that work is done, the next big items that need to be completed are to select a host hotel and to make sure we have chairman for all of the various activities related to the car show. Selecting a host hotel is not as easy as it would seem. We need a hotel that has reasonable rates, has a nice meeting area to hold the Welcome Reception, has safe parking for all of the cars, reasonably close to the show site, and has an accommodating staff. Don Marpe and Karen Murray will be checking out hotels so if you have any suggestions, please let them know.

An email went out asking the previous car show chairman if they were willing to take on the job again this year and most of them said yes. We do still need chairman for the following activities:

Donations / Promotions / Vendors - This group sends out info to people that have donated items

at past shows to see if they will donate again and coordinates the vendors that display at the show.

Judging – This group collects the ballots on the day of the show and coordinates the volunteers that count the ballots.

Registration – This person or persons input the information from the people that register for the show, tracks the shirts purchased, runs the reports for the ballots, and prints out the winners.

Site Preparation / Parking / Traffic – This group already has lots of help signed up and those workers mark the field so the cars park in the right area and directs the cars when they come to the show.

Transportation / Show Car Pickup – The fun part of this job is to pick up the new Jags, Range Rovers, Mini Coopers that get displayed at the show. The work part of this is making sure goodie bag stuff, donations, PA equipment, other stuff get to the show area when needed.

PA System Announcer – This person or persons will make announcement during the show to promote 50/50 ticket sales, door prize winners, other club event promotions, thank vendors that made donations, interview people at the show, and any other info that needs to get announced.

If you would like to volunteer to be chairman for these key activities, contact Don Marpe (bdmarpe@att.net or 504-812-8611).

It Is Okay To Prepare For The Reynold's Rallye

If you have an open spot on your fire place mantel that needs a prestigious object to fill it, then the E.E. Reynolds Rallye on **Saturday November 9** is your opportunity. The winner of the rallye will take home the trophy

shown and be able to keep it until he / she hosts the next year's rallye.

To help you prepare for this year's rallye, the driving instructions for the event are included in this newsletter. This will give you a chance to drive the route on Google Maps and calculate your target times for locations along the route. The winner of this year's event will be the driver / navigator team that completes the event closest to the 2 hour target.

For those that already have their mantel full, the

event will be an enjoyable drive through New Orleans to see some of the more notable landmarks.

The Rallye will start at Delgado College near the parking lot used as an entrance for the car show. If the parking lot gates are closed, the cars will line up along the road. The first car will start the event at 10:00 with the next car starting a few minutes later. The event including a lunch at Parkway Bakery and Tavern will be over around 1:30.

Currently there are many items available. See article pages 16 - 18 for a brief listing.

All items are available at our general membership meeting, or can be requested by contacting me by email at bdmarpe@att.net

If there are any other titles you would like to have, then let me know.
