President's Message by Ronald Palmisano

The BMCNO 25th Annual British Car Day was a great success. This could not happen without the help of our members. Thanks all of you!

Once again Bill Nix invited everyone to attend a British Breakfast before the show. The food was GREAT! Thanks Bill.

There were 101 cars on the field this year. Due to the prediction of thunderstorms, there were many no shows. This year more than almost half of our club membership entered their cars.

We had lots of spectators, great food vendors and a sunny day. This was our first year using Food Trucks and they were fabulous!!! Everyone enjoyed the food and hopefully they will return next year. Thanks Steve Lindsley for getting the food trucks there!

After the show about 37 attendees drove to New Orleans Food and Spirits on the Lakefront and had a seafood feast. Beautiful British cars, great people, and delicious food; What more could anyone ask for?

I especially want to thank Don Marpe, our show chairman. Don's diligent efforts have contributed to making this year a GREAT SUCCESS! Another great job Don!!!!

I want to thank Rick Huber for another great year of getting sponsorships, contributions, and donations.

I must also thank and acknowledge Ted Oster for getting door prize donations from Auto Zone and Harbor Freight, and other establishments. Ted was working until late Friday night before the

show gathering these items. We received about 11 five gallon pails mostly filled with car cleaning supplies, a tool set, air compressor, led flashlights, funnel sets, floor jack, and boxes or other miscellaneous car related items.

I also want to thank all of this year's show volunteers for their hard work. Without them the show would not be possible. The volunteers spent many hours before the show preparing for the big Saturday event. They helped with goody bag stuffing, setup and food preparation for our Friday night social, and finally their work on the day of the show.

Even though the weather forecast throughout the week was for severe thunder storms, Wally Friloux, our Weather Chairman and only member of the Weather Committee, made the weather cooperate with us. Thanks Wally!

Our complimentary photographs placed in the glass trophies was a big hit. Thanks Peter Weber, Denise Chauvin Petit, and OJ Williams.

This was our second year on the pavement due to soggy grounds and our BMCNO members stepped up to the plate and make everything happen. The layout and parking went smoothly thanks to all in the parking crew.

Thanks Cathy Greensfelder for your work with pre-registration, Friday night registration, and Show day registration.

Thanks to our new Regalia chairwoman Bonnie Marpe for organizing and selling a record amount of items.

Thanks also to Ted & Pat Oster for organizing our first Silent Auction table. It was a huge success.

Thanks to our Vice-President Karen Murray, my

Joel Ross discussed bondo, chicken wire, and married life.

The Meeting was closed at 8:24 p.m.

President's Message by Ronald Palmisano continued.....

lovely wife, for everything you did with the Friday night reception, shopping for gifts and regalia items, ordering the trophies and ordering the t-shirts, and other.

Many people told me that we offer the best pre show food selection and fine restaurant quality food. Of course we do, this is our Southern Hospitality.

We did change our trophies this year and everyone seemed really pleased. I hope if you were lucky enough to receive one that you will enjoy it.

A special thanks to Floyd Friloux for an informative discussion on oil and gasoline.

I cannot end this address without a special thank you to Sandy and Sam Walter, our members from

Alabama. Sandy and Sam are not here for all of the pre-work involved with the show but they sure make up for it and work so hard the day of the show. You two are terrific and everyone looks forward to your Blueberry Crunch.

Thanks to all who entered cars this year. Without you there would be no show.

The list of thanks goes on and on. Please see article on page 25 for a listing of all who helped this year. If I missed listing anyone, please let me know and accept my apologies for the oversight.

Thanks all,

Ronnie Palmisano

March 2015 Baton Rouge Gathering by Rick Huber

Another month, another location. Thirteen of us got together on our new night, the 3rd Wednesday of March, and our third location is as many months. This time it was DeAngelo's on Coursey Blvd, and hopefully this one will stick for

awhile. No new faces this month, but long time member who we haven't seen for awhile, Mike Loden came and visited with us, and even volunteered to get the Brian Harris Mini to the show on Saturday, since the steering box is out of his Healey. Thank you Mike.

Rick talked about the Wounded Warrior reveal and the charity laps on the NOLA Motorsports track in his Healey, great fun - 100 mph, squealing tires, the smell of hot brakes....priceless! We have to schedule a club track day. Larry talked about the New Roads show on March 14 with 281 cars, but just a handful of British ones. Still, Wayne Pangburn's 63 TR4 took one of the awards - it's a gorgeous car. Bobby/Milton/Larry talked about the LSU Garden Show on Sunday the 15th, Larry's Triumph Stag was the lone British entrant, but Bobby/Milton/Marc also attended. Milton talked about Middendorf's with the highlight being Barney Gaylord and his son showing up in their MGA at the Bass Pro Shop and driving to Pontchatoula with us. Quite a story, and quite a talented little British car guru!

Rick talked about the show weekend, and upcoming events with Indy cars at NOLA Motorsports Park in April, and the Pensacola show, with a few of us planning to go over on Thursday

to take in some of the organized events on Friday. Looking forward to Spring and show season again. see you there!

Track Time by Rick Huber

Driving fast and turning hard on a race track is arguably the most fun we can have in our little British cars. The roar of the engine, the squeal of the tires, crisp handling through turns, the smell of hot brakes, feeling one with your machine as you twist and turn, accelerate and brake and make your way around the track is a powerful combination of sensations that, for us in this community, ranks high on our list of high thrill fun. So, when the NOLA Motorsports Park provides us with such an opportunity, I say, carpe diem!

Such was the opportunity after the Wounded Warrior Project reveal on February 28th when the Porsche Club of America Mardi Gras Region Club Racing weekend featured Charity Laps for about 15 minutes at noon. For \$20, about 20 of us in a diverse mix of cars, from my '64 big Healey to a 72 Olds 442, a large variety of old and new Porsche's, and even a few modern sedans got to drive behind a Porsche pace car for 5 laps on the 2.67 mile, 16 turn track set up for the upcoming Indy Car race. No, it wasn't like real racing, but it sure was fun, full throttle acceleration hitting 100 mph in the straight, hard braking before the turns, getting the back end loose and squealing the tires around the corners. Hopefully we'll have more opportunities like this one, or perhaps even organize a club event at the track so more of us can experience the exhilaration of driving fast and turning hard on a race track.

Crawfish Boil at Tickfaw by Karen Murray, Vice President

Crawfish Boil at Tickfaw State Park by Karen Murray

The Annual Crawfish Boil will again be held at Tickfaw State Park, a little gem of a park about 8 miles west of Springfield, LA. Near Hammond.

We do ask the ladies to provide desserts to share, if possible, but not necessary. The cost of this event is offset by the club therefore anyone other than your one guest will be charged \$20.00.

2014 BMCNO Annual British Car Day by Don Marpe

Despite horrible weather predictions this year's Car Day was still very successful. The predicted rain never showed up but it did force us to move the display area from the grassy area to the parking lot on the other side of the Student Center. We had a total of 98 registrations and 111 cars signed up for the show. We had over 100 cars on the field the day of the show. There were an additional cars registered on the day of the show. The crowd of spectators seemed normal but no one did an official count.

The regalia sales were very successful and raised twice as much from previous year. They were also successful in selling most of the old inventory of cups, travel mugs, old show shirts, aprons, tote bags, and some new jewelry items. That same group of ladies (Bonnie Marpe, Rachael Wicker, Mary Lynne Huber, Mary Melesurgo, Carol Benson, Pat Hoppe, Nora Guichard, Audrey Kennedy) handled the door prizes. Over 40 bags full of donations were given to the show attendees based on the drawing of their names out of the list of registrants.

The new silent auction sales were also very successful. The signup sheets were used for the items with higher values or of special interest

such as the aluminum racing jack, an expensive bottle of wine, Stoner car care kit, Tea & Treats gift basket, Little British Car (shirts, blankets, signs, books) coffee and treats basket, racing mirrors, 82 piece tool set, Centech 3 in 1 power pack, MGB wheel trim rings, Benny Grunch and the Bunch shirt and CD, and a Pete Fountain signed print. The team of ladies that made this happen were Pat Oster, Sandy Walter, Carol Benson, and Lilia Lindsley. The raffle of the minor items was handled by selling tickets and placing the tickets in a cup by the item.

The number of sponsors and companies that donated items for this year's show was the highest ever thanks to many of the club members especially Rick Huber and Ted Oster. There were more sponsors than car classes. The sponsors were shown on several signs at the show and will be listed in the next newsletter. There were so many donations that we could not give them all away at the show. Some of the items will be given away at club meetings as part of the 50/50 drawings.

It is clear that we had a good show financially.

The purpose of the Car Day is to bring lots of people with an interest in British cars together to look over some fine examples of many of the marques. That purpose was indeed accomplished.

2014 BMCNO Annual British Car Day continued...

Starting with the Welcome Reception at the Ramada Host Hotel on Friday night where there were a total of 73 members and guests. They all enjoyed the great foods prepared by the members / spouses and had a good time talking over past shows and what they have been doing since the last show.

Then on Saturday starting before 8:00 am, the member volunteers showed up at Delgado to prepare for the day's festivities. The parking and traffic team went to work setting up the parking lot for the various class staging. That crew was led by Jimmy Hoppe (and his sons) with Darek Guichard, Cort Musgrave and Mark Greensfelder. Harold O'Reilly started even before that placing the direction signs on all of the various paths to the show area. Reg Dunbar and his wife Barbara made the trip over to Paretti Jaguar to pick up a new F-Type and a Range Rover for all of the spectators to check out. Pete Weber and O J Williams hustled around to make sure that they found a suitable location to take the pictures of all of the cars as they come in. As usual, there was a British flare added to the picture area by Denise's outfit. Robert Rougelot came in to help Jack Kennedy and others set up the PA system and make sure it was working.

That was the outside work that needed to be

done. Inside the Student Center, it was like a bee hive. The registration team of Cathy Greensfelder, Karen Vezina, Mark Greensfelder, Karen Murray, and others took care of all of the entrants that showed up the day of the show, passed out the Goodie Bags, gave the members their new nametags, and started generating all the reports needed for the show. The Regalia and Silent Auction teams also set up in this area of the Student Union.

Chad Wicker greeted every car that came to the show and gave them their registration packet along with a smile and kind words.

By 9:00, the show area was ready for the cars to start coming in. By 12:00 there were 6 Austin Healeys, 8 MG TC or TDs, 2 MGAs, 17 MGBs, 17 Triumphs, 7 motorcycles, 19 Jaguars, 6 small Saloons, 1 large Saloon, 12 Empire Sports, and 6 mini coopers on the field.

The registration was closed and the ballots were placed in the cars. Then there were people evaluating cars, comparing the condition of engines and interiors, filling out the ballots. This year to encourage more people to vote on the cars, each ballot had a drawing ticket on it. When they turned in the ballot, one part of the ticket was put in a box to be drawn at the award ceremony.

The first winner received a 122 piece tool set. Two other winners received buckets of stuff.

As the ballots came in, Cliff Hughes led the teams of vote counter tabulating the votes. When they finished, Cathy Greensfelder prepared the winner reports and gave it to Rick Huber.

Rick had the lead for resolving any conflicts and changes in classes, so he deserved to be the one to announce the winners.

The awards were presented in the Student Union because despite all the bad weather predicted, it was hot outside. After the awards were given out and the entrants left the area, the cleanup began.

Those that stayed to help pick up the parking lot, pack up the PA system, de-stage the tables and chairs used by the registration team and regalia / silent auction teams, and load all of the extra stuff into cars to be transferred to the storage area.

A special thanks to Jack Kennedy for allowing the boxes of stuff to be stored at his son's home.

The final event for the Car Day was the dinner at New Orleans Food and Spirits. Many of the entrants and members attended the dinner. Those that did not attend, probably got home, put their feet up and had a beer.

All in all, the 25th Annual British Car Day was another in a long line of successes. Thanks to all that helped.

Allen Bradley taking time out after lunch.

BMCNO Sponsor Contest Award Winners

Congratulations to the following members who won the Sponsor Contest:

Pat & Ted Oster brought in the most sponsors and therefore wins 1st prize. Since both are members and both did the work each one will receive a gift. Thank you for your hard work!!

All club members who brought in \$50 or more, sponsor classes, were eligible to win a contest award as well. Those members had their names put into a drawing for additional prizes. Their names were put in the hat as many times as the number of sponsors (multiples of \$50) they brought in, i.e. bring in one \$50 sponsor and your name goes in the hat once, bring in five \$50 sponsors (or one \$250 sponsor) and your name goes in the hat five times.

The winners from the drawing were Cliff Hughes and Harold Hunt.

A BIG thank you and congratulations to the everyone who brought in donations that helped offset the cost of the show.

Everyone will receive their award in the near future.

Chef's Corner by Karen Murray

THANK YOU!! THANK YOU!! THANK YOU!!

Many thanks to everyone who paraded in at the Friday night Welcome Reception with such mouthwatering meals. The endless food and delicious smells had people lining up early for the 6:00 start of the party. Many were sitting in the lobby trying to guess what the aromas were.

We in New Orleans love to cook and share our food with those less fortunate who do not live in this area. We know how amazing our food is and like to show off how good we can cook. Most of the other clubs in the south have one general theme like "Red Beans & Rice, or Pulled Pork" but we have such a diverse spread that participants don't know where to begin and hate to end.

Our guest were still raving the next day about how amazing the food was. They are also amazed about how many of our club members attended and how friendly everyone is. It is not just those members who volunteer for the event that were on hand to welcome the out of town guest. I always try to explain how close everyone is and how much we really enjoy each other's company and that "Great Southern Hospitality" is the **Golden Rule** of New Orleans.

Thanks again to everyone that participated and helped make this event a showstopper!!!

Its membership renewal time again!

Dear BMCNO Member,

This year has been terrific for the British Motoring Club New Orleans. We've had lots of activities and enjoyed not only our beautiful cars but also great friendships. It's now time to renew your membership for the coming year. This letter is early to give

everyone time to renew before the June 30th deadline. Use application on page 28 or go online at www.bmcno.org. **PLEASE FILL OUT ALL INFORMATION. WE ESPECIALLY NEED YOUR CORRECT EMAIL ADDRESS.** We send all announcements and newsletters by email.

Your dues fund the Club, it funds the events, it's the lifeblood of the club. Without it, there would be no club. We are not in the business of making money, and all club proceeds are spent on you!

I think the best part of what our club does is having fun! Our monthly meetings are times to share ideas and problems. We include speakers, movies, and presentations on British cars. Check online under Member Services for new services provided by the club.

BMCNO has now gone 21st Century. We now have PayPal for all club payments. Now you can use an online registration process for key events like the crawfish boil, car show, renewal of membership, and other events as the need arises. The web site www.clubregistration.net now has a category "British Motoring Club". Once you select the category you can search for events that will include the Membership Drive, Crawfish Boil, and Car Show Registration. There is an easy process to create a member profile at the web site. Once on the web site, you can pay your membership dues or the crawfish ticket price with a credit card or use PayPal if you have an account. Setting up a PayPal account is also supported by the website.

The club membership book will be mailed in August with membership and club business cards.

I know that life gets busy, but I personally hope you will make time to renew your membership and come to our next meeting. Members will be happy to see you there.

Sincerely,

Karen Murray, Vice President

British Motoring Club New Orleans

***Calling all British
Motorcycle Owners***

It has been suggested that
the club work to increase
the number of British Mo-
torcycle owners. If anyone
knows someone who owns a
British Motorcycle please
contact them about partici-
pating in our club. Milton

Franklin, Baton Rouge, is interested in organizing
motorcycle events for owners of British Motorcycles.
Harley groups are always cruising the roads so we
would like to start British motorcycle cruises. We
would also like to increase the number of motorcy-
cles at our Annual Car Show. So...let's start looking
for British motorcycles to give our business cards
and brochures too. If you need more please contact
Karen Murray for extras.

***BMCNO is affiliated with
North American MGB Register (NAMGBR)
and
The Vintage Triumph Register (VTR)***

If you are member of these or any other national
club or register, please let us know.

We strongly encourage all members to join the
registry for their marque!

Club Resource Library

Although our Club Resource Library is still growing, the items that we do have are all excellent and available to all members.

Currently there are many items available. These include service manuals and how to books and videos.

We will be bringing the library to the area meetings.

See the February newsletter for your meeting location and date. We plan to shift locations every 30 days.

If there are any other titles you would like to have, then let me know.
