President's Message by Ronnie Palmisano, BMCNO President

Last year in the October newsletter I mentioned how hot the EMC Natchez convoy and show was. It was HOT! It was hot getting there, staying there, and even hotter returning home.

This year was different. It rained, and rained. I was driving on I-10 with sunny skies above to meet up with everyone in Baton Rouge for the trip to Natchez. While crossing the spillway at 75 mph with the top down, a thunderstorm came from nowhere and proceeded to drench both me and the TR6 interior. Note: Never drive with the top down when the chance of rain along the way is 80-90%.

Election of the 2017 Board of Directors will take place at the October meetings. The nominees for the 2017 Board are:

President	Karen Murray
Vice President	Mark Ferketish
Secretary	Cathy Greensfelder
Treasurer	Mark Greensfelder
Member at Large	Jim Clark
	Cliff Hughes
	Tom McMillan
	Linda St. Romain
	Martin St. Romain
	Chad Wicker
Newsletter Editor	Ronald Palmisano (appointed by Board)

Many thanks for volunteering to be on the board.

AND AGAIN THIS MONTH.....Donations continue to arrive for our flooded members in the Baton Rouge area. It really is a humbling experience receiving donations from surrounding British car clubs for our members. Also, the gen-

erosity of BMCNO members and other clubs has been amazing. Thanks to everyone for helping in some way or another.

We still have many events left in 2016. October we travel to Fairhope, November is our Memorial Drive honoring Richard Cunningham, Max Benson, and Wayne Pangburn, and finally December our Annual Christmas Party. I am looking forward to meeting our 2016 Delgado Scholarship Recipients, and getting the final count for our **Second Harvesters Donation**. **AND let's not forget BMCNO's own "Balloon Lady" at the Christmas Party.** Hope to see many of you at one of these events!!!

A note from the Editor, Me!

I need members to send me articles with pictures of anything that might interest our members.

Event reports, with lots of photos (car shows and other)

Member profiles. How I got hooked on British cars?

MERRY CHRISTMAS (a little early)

The British Motoring Club of New Orleans (a.k.a. Big Meal Club)

Cordially invites it's members to the

Annual BMCNO Christmas Party

Saturday, December 3rd, 2016

6:00 p.m. – 9:00 p.m.

Ramada Hotel

3400 South Interstate 10 Service Rd

Metairie, Louisiana

RSVP: Karen Murray,

karenmurray@cox.net

Please join us for GREAT food, good friends, lively conversations, and plenty of surprises for everyone. This year we plan on having more surprises than last and a surprise visitor.

Everyone is asked to bring a covered dish. The club will provide the turkey, ham, and all drinks. Please bring those delicious holiday dishes that everyone enjoys so much.

Please make every effort to join in this fun filled night.

Donate food items for Second Harvesters Food Bank at the Christmas Party. Some people are in need of assistance this holiday season. You will receive a raffle ticket for every food item contributed with the chance to win great door prizes. The board has collected very nice door prizes to be won at this party. So, let's contribute!

What's happening by Vice-President Karen Murray

We are now moving into one of our busiest seasons with multiple car shows to choose from every weekend.

While we try to list those that people have attended before we simply do not have room or resources to list every car show this month. So browse through those that other members have attended before and recommend to attend in the future.

BMCNO's Upcoming activities are:

October 2nd - 9th—**Cruisin' the Coast**
BMCNO does not have an organized event this year. Some members may try to get together on Saturday, October 8th. Cruise on your own or email Peter Brauen to connect with him.

<http://cruisinthecoast.com/schedule/>

October 21 - 22, 2016 – South Alabama British Car Festival / Fairhope AL - **It's a nice drive down to Fairhope AL so join the caravan to the lovely city by Mobile Bay. The Friday night meet and greet is always fun. Two must do's on Saturday are: shopping for the ladies and Guidos for dinner.**

Mark your calendar for the remaining events of 2016!!!

Saturday, November 5th—Memorial Drive

In remembrance of Richard Cunningham, Max Benson, and Wayne Pangburn. BMCNO members that we lost this year.

A planned leisurely drive has been planned on the North Shore starting at Café du Monde on Hwy. 22 and Hwy 190 for our morning coffee and beignets.

From there a nice drive through back roads of Covington and Folsom. Our first stop will be at the Abita Brewery for a savory taste of their delicious products and tour. Lunch will follow at the Abita Brew Pub. The day will end at BMCNO member John **Baldwin's wonderful garage. Many of our members** were able to stop there last year and have asked for a repeat trip.

Saturday, December 3rd. - BMCNO Annual Christmas Party - **It's that time of year to start** organizing our Annual Christmas Party on Saturday, December 3rd. The Ramada Inn, I-10 Service Road, our Car Show Host hotel will be the location for this event. Check out the invitation **included for all of the details. Let's start deciding** what pot luck dish you will bring. Remember the club will provide the fried turkeys, baked ham and cold drinks. Please bring your own flavoring for your cold drinks or wine.

The board has voted again to collect food for the **Second's Harvesters Food Bank.** For every food item that you bring in you will receive a raffle ticket for prize drawings. Prizes have been gathered and ready to pass out. Last year we donated 125 pounds of food.

Also, part of the Christmas party will be devoted to presenting the 5 Delgado Community College Automotive student scholarships. Come and meet them.

PERSONAL REFLECTION

At this time in our history I cannot help but reflect on the people who died to give me the right to walk into a polling booth. It is a right of every American citizen to vote but this right has come at a very high cost over the last 240 years. Please do not take this privilege for granted and remember every vote counts. Let your voice be heard in November!!!!

South Shore Meeting August 30th Minutes by Cathy Greensfelder

Only 20 members and guests were present – typical of the “dog days of summer”.

OLD BUSINESS

Karen Murray reported on the recent Rock n Bowl event.

Rick Huber reported on the flooding in Baton Rouge. To date, over \$1,500 in gift card donations have been donated by other regional car clubs and individuals. BMCNO has donated seven \$100 gift cards. Numerous individuals have provided labor, equipment and meals. None of the seven flooded members have flood insurance and 3 are in their 80's. Rick said members were stunned when presented with the gift certificates..

Word is that the by Louisiana law, a car is considered “totaled” when water gets to the carpet. At that point, the electronics are wet and there is no recovering a modern vehicle. So if you buy back the car it will have a salvaged title. However, you can re-title in some other states and lose the “salvage” tag. With the older (pre-computer) cars, filling the engine, transmission and differential with diesel will displace enough to water to allow you to bring them back to life.

There was no one present from the North Shore to report.

NEW BUSINESS

Plans for the cruise to the English Tea Room & Eatery in Mandeville were discussed.

There will be a work session at the Delgado Automotive Dept. shop on Sept 10 to begin salvaging flooded cars. A sign-up sheet was passed around.

The English Motoring Club of MS's “Brits on the Bluff” car show in Natchez will be on September 17. Convoys will be leaving on Friday September 16.

Plans for convoys to “Cruisin’ the Coast” on Oct 8 were discussed.

The South Alabama British Car Club show will be on October 22, convoys leaving on Friday October 21.

The club will be granting 1 scholarship for \$750 and 4 scholarships for \$500 to Delgado Automotive Department students from the 2016 New Orleans Car Day.

The proposed amendment to the club by-laws was discussed. Currently Chad Wicker, our webmaster, is also serving as a Member at Large. Webmaster is a very time consuming job so the amendment was designed to add Web Master to the board without term limits. Keith Vezina pointed out that as an appointed, not elected, office, Web Master was not subject to term limits. Further discussion determined the amendment was not needed. Karen Murray withdrew the amendment

ELECTION OF OFFICERS.

We need a nominee for the office of President and three nominees for Members at Large. Members at Large serve to represent the membership and to help with running the club. The By Laws specify one Member at Large per 30 members. At the end of membership renewal, we have 151 members and need 6 Members at Large.

Nominated and seconded at the meeting were the following:

Secretary – Cathy Greensfelder

Treasurer – Mark Greensfelder

Editor – Ronnie Palmisano

Member at Large (1 more needed)

Jim Clark, Tom McMillan, Cliff Hughes, Chad Wicker, and Martin St Romain

PROJECTS

Keith Vezina was working on a client's TR3A that was overheating. He determined it had a bad vacuum advance. After fixing the diaphragm, he determined it was the wrong one for the car. It was advancing the wrong amount. Keith also said the water pump / housing for that car has a very tight clearance. The after-market pumps have a large clearance and cause cavitation. You can remove the gasket or even grind down the lips to get the clearance down. Keith recommended using a touch-less IR thermometer to check temp at the top and bottom of the radiator to determine if there is cooling going on. Mike Anderson said also the TR3A probably needs the shroud put back on to improve airflow.

Mike Anderson is trying to determine what type of lubricant goes in the wiper motor gear box of

his Geneta. The grease looked like Vaseline. He wondered if it was silicone lube. Floyd Friloux reported that silicon grease was not used outside of NASA until the turn of the century.

“How did you catch the LBC disease?”

Martin St Romain: Martin and his dad rebuilt cars and his brother-in-law liked Jaguars. They swapped out engines on one and he was hooked.

Cathy Greensfelder: The boy she was dating senior year of high school in 1974 had a new MGB. He taught her to drive a stick shift in it in a plowed, snowy parking lot where the only thing she could hit was a pile of snow! (His roomie had a TR6.)

Mike Anderson: a friend had a Bugeye Sprite and Mike helped rebuild it.

Ronnie Palmisano: As a senior in high school in 1968, an acquaintance had a yellow TR250 that **Ronnie thought was “SO COOL!”**

50/50: Rick Huber won \$14. Cathy Greensfelder, Dan Melesugo, Keith Vezina and Alan Bradley won assorted prizes.

Murphy's Laws of Old Cars by Murphy

1. Never fix anything that is not broken.
2. The nut or bolt which is the most difficult to reach will always be stripped or seized.
3. No tool will ever be found again once it has been put down.
4. Nothing is ever put back together in the reverse of the way it is dismantled.
5. One last pull on a nut or bolt, to make sure it is tight, will always strip it, or snap it off. But if it doesn't get that extra pull, it will always loosen and fall off.
6. Bright, clean and new parts are always defective, but dirty, greasy, old ones work fine unless they are

cleaned.

7. During a roadside repair, with the wrong parts being used, the fit will be perfect and the repair permanent.
8. A prospective purchaser attempting to start the car, will usually cause ignition failure and/or flooding of the carburetor.
9. If a part is carried as a spare, it can either never be found, or it will not fit when it is needed, and if the spare comes in two different sizes or lefts and rights, the one you need is not the one you have.
10. If, when removing an irreplaceable nut or bolt it is dropped on a spotlessly clean floor, it will be heard to hit the floor and then vanish forever.
11. Any part or tool dropped

Continued on page 10

Baton Rouge Gatherings by Rick Huber

Well, our monthly gathering got feebly going again, only 11 of us with a couple of regulars calling to say they couldn't make it, and several more regulars dealing with the flood and not ready to take time out

for a club get together. We had a guest, soon to be a new member, my brother Mark Huber. He and his wife Judy just moved to Baton Rouge (the weekend of the flood can you believe it? No his house didn't flood thankfully) from Pensacola. Welcome to the BMCNO Mark & Judy!

Rick talked about the British Tea Room lunch and Bobby talked about Natchez, both very nice events. Turnout for Natchez was down with all the rain, predicted and actual, but it was fun anyway. Bill & Robbie Avery told of their flood rescue in a small, round bottom canoe that was on the verge of tipping over the whole time they were in it. Milton told of rescuing his 92 year old next door lady from her house, only to have her, An-

nette, and their granddaughter rescued by boat from his front porch (the captain stayed with the ship). Much more discussion about the flood and experiences. One statistic. Milton had attended a meeting of the Central residents, and there it was stated that 9,000 of the 10,500 homes in the town flooded. Quite amazing.

Bobby presented another installment of "Bill Avery's Toolbox", this time the box was opened to reveal a giant flat bladed screw driver. The purpose of the tool was correctly identified by I can't remember who now, as a fuel pump points unsticking device, used to rap the side of the fuel pump smartly to get a fuel pump running again.

Rick talked about the busy event list in October - not as many as usually attend will be able to go, but there is always next year when all this flooding recovery will be a distant memory.

Thanks again to all of you who have helped those of us in need here in the Baton Rouge area - your assistance means more than we'll ever be able to describe.

Murphy's Laws of Old Cars continued.

Whilst working on your car, will automatically roll to the geographical centre under the car.

12. The probability of a car starting is inversely proportional to the number of people standing nearby watching.

13. The probability of paint running is directly proportional to the degree of prominence of the panel being painted.

14. A tyre will only go flat when the jack or wheel-base has been left at home.

15. Any starter motor/generator will work perfectly when bench tested. It will only cease to function

when fitted to the car.

16. When you double-check everything prior to a run, you stand a greater chance of running out of fuel.

17. No matter what fails on your car there is always someone who knew it would.

18. Carrying an extra set of plugs, points, coil and condenser will usually lead to the rupture of the bottom radiator hose.

19. The later you leave for home after a rally the greater the chance of failure of the lighting system.

20. The possibility of a mudguard being scratched is directly proportional to the time spent polishing

EMC's Britts on the Bluff by Karen Murray, Vice President

The "Brits on the River" car show sponsored by the English Motoring Club of Mississippi (EMC) is usually a well attended show with our BMCNO members.

Because of the 90% rain forecast for

Friday and Saturday, attendance was low. There were only 28 cars registered for the Saturday event, of those 34 cars, 11 entries were from BMCNO.

On Friday morning The New Orleans group arrived early at Café du Monde on Veterans Blvd.

for coffee and beignets. All groups met up at Barnes and Nobel in Baton Rouge.

Lunch was again at Mammy's Cupboard with the mouthwatering Chicken Pot Pie and Hummingbird cake on the Friday special.

The host hotel was the Grand, at the end of Main Street.

Friday night everyone attended the Welcome Reception at Bowie's Tavern directly across the street from the Grand Hotel.

Saturday morning started with cleaning and washing the cars.

The ladies left for their annual shopping spree in Natchez which was within walking distance from the hotel. Ladies stopped shopping at 12 noon to attend a lunch arranged at Cotton Alley Restau-

EMC's Britts on the Bluff by Karen Murray, Vice President

rant. A total of 22 ladies were present to share shopping items and ideas. Thanks so much to Meredith for organizing lunch. It was a very enjoyable and delicious break from our strenuous activity.

The weather for the car show was overcast with occasional rain. Due to the bad weather, the show was held on the street directly behind the Grand Hotel. The great cars, good friends, and terrible weather made for an unforgettable Saturday car show. What a fun relaxing day. Many thanks to our friends in EMC for this treasured

experience. BMCNO winners are:

Karen Murray and Ronald Palmisanod

Fun Memories in Natchez with our sister club The English Motoring Club of Mississippi!!!!

October Birthday's by Vice- President Karen Murray

This is a new article for our newsletter. I am missing 27 birthdays. Members, please email your birth month. Mail to karenmurray@cox.net.

Happy October Birthday wishes for BMCNO members:

William Jackson

Tom McMillan

Ted Oster

Martin St. Romain

Ed Vail

"I'm a little Tea Pot lost and scared

Bring me to a forever home"

Please, please, please search for this little tea pot to become part of our Annual Car Show Ladies Tea decorations. All of the decorations that we used last year will not be available again. You could donate a tea pot or just loan for that day to put on show. We do have a secure home for all of the lost teapots and tea cups. Contact Karen Murray at karenmurray@cox.net.

Happy Birthday by Karen Murray, Vice President

I am collecting birth months for all members to be used in future monthly Happy Birthday articles. If your birth month is not listed please send to me at karenmurray@cox.net. Reference birth month in subject area.

Several members would also like to include their wives in this article. The club does not actively capture this info on you membership forms. If you would like your spouse added please send me the info.

Radiator L/H hose to t'stat housing

Radiator hose to pump

Five restorable wire rims removed from a 1971 Triumph TR6. Includes 4 splined hub adaptors, knockoffs, some lug nuts, and a new knockoff removal tool. Some Rims have a little rust that can be

repaired and the knockoffs are in ok condition. The rims can be cleaned, & painted or powder coated to a nice look. Any reasonable offer will be accepted. Photos available upon request. Contact ronniep@cox.net

63 MG Midget For Sale—Baton Rouge resident selling his 63 Mark I Midget (titled as 64 but has side curtains). It's straight, mostly rust-free (only the bonnet has some rust), the original 1098 engine and a spare 1275 engine. He disassembled it a few years ago, so all the parts are there. Looking to get \$650. Contact Dan Cadigan, 225-773-7597 or email to dan.cadigan@bp.com

Wanted to Purchase—Luggage Rack for Triumph TR6. See picture below.

Please email asking price, condition, and picture to ronniep@cox.net.

Calling all British Motorcycle Owners

It has been suggested that the club work to increase the number of British Motorcycle owners. If anyone knows someone who owns a British Motorcycle please contact them about participating in our club.

Milton Franklin, Baton Rouge, is interested in organizing motorcycle events for owners of British Motorcycles. Harley groups are always cruising the roads so we would like to start British motorcycle cruises. We would also like to increase the number of motorcycles at our Annual Car Show. So...let's start looking for British motorcycles to give our business cards and brochures too. If you need more please contact Milton at densalprop@cox.net.

Club Resource Library

Although our Club Resource Library is still growing, the items that we do have are all excellent and available to all members.

Currently there are many items available. These include service manuals and how to books and videos.

We will be bringing the library to the area meetings.

See the February newsletter for your meeting location and date. We plan to shift locations every 30 days.
