## **PRESIDENT'S MESSAGE by Colin McCormick**

Greetings and welcome to the April 2025 addition of our newsletter. It's been a busy month, particularly with the preparations for our British Motoring Festival. Our volunteers made sure the show went on as planned, despite predictions of inclement weather of almost Biblical proportions. As it turned out, we didn't get any rain until about five o'clock; by that time almost everything was picked up and on its way back into storage.

Our show was a resounding success, with 154 cars and motorcycles registered. While 56 entries did not attend we still had 97 cars and one motorcycle on the streets of downtown Covington.

The participants, the volunteer staff and the general public had a great time. The city of Covington has invited us back; an expression of their confidence in our dedicated club members. If you haven't yet, you will receive an email giving you access to the photographs of your car, and also an email containing a survey about your experiences at the festival. Please respond to the survey; we used responses from last year to find many of the aspects of this year's festival.

In other portions of this newsletter you can learn about other recent events, including the St. Anthony's Gardens and the Covington Celtic Club St. Patrick's Day parades, and a visit to a local automotive technology training program, our Cars and Coffee get-togethers, and of course lots of photos of cool British cars and your club friends at our car show.

Also, our upcoming events include the car show in Pensacola, a car show in Natchez, the Arkansas cruise, and our annual crawfish extravaganza. Read about plans for the Pensacola weekend on page 13.

Our club provides a wide variety of activities throughout the year, particularly in the spring and fall. Your attendance at these events encourages the people who volunteer their time and effort to produce them, well as makes your participation in the club much more interesting. I look forward to seeing you at our coming events and on the road.

Keep Calm and Drive On,

Colin McCormick

## ***BMCNO Upcoming Events***

British car show events are lined up to take advantage of, and mark your calendar for our crawfish party at Fontainebleau. Our club members always show up for our weekly Cars and Coffee gatherings and monthly meetings in New Orleans, Baton Rouge and the Northshore. And we have Final Friday in Covington every month through October. We hope you're planning to join your BMCNO friends.

—Greg Roussel

**Natchez Concours d'Elegance April 12th** Sponsored by the Rolls-Royce Owners' Club - Southern Delta Region. The show is open to All Rolls-Royce and Bentley Cars, all British or European cars and motorbikes 20 years or older, all ages of European exotic cars and all CCCA eligible cars. It's always fun to spend the weekend in Natchez. Register now and more information at <https://natchezconcours.com/>

**BRITS ON THE BAY, Saturday April 12th** Panhandle British Car Association's 31st Annual All-British Car Show in Pensacola's Seville Square. Many in our club like to make it a weekend trip to Florida for this show. Rick Huber has more about the weekend plans on page 14. Find registration and more information on the PBCA website at <https://www.pbca1.com/show.htm>.

**BMCNO Crawfish Boil Sunday, May 18th** Plan to join us in beautiful Fontainebleau State Park for our annual May get-together. Crawfish should be big and plentiful by then, so plan to bring your appetite along with your British car. Look for an email notice and link to RSVP through our website.

### **Brits on the Bluff, Saturday, September 20th**

English Motoring Club of Mississippi's 27th annual show in Natchez starting with a Friday driving adventure and a Friday night party. Then spend Saturday with your car club friends on the bluff overlooking the Mississippi River. More details and pre-registration information will be posted in August.

### **SABCC British Car Festival, Saturday, October 18th**

The 35th annual show in Fairhope, Alabama this year celebrates the Morgan Car Company. It's another favorite weeked for our club, and another great British car show. Information and online registration open now at <https://sabcc.org/british-car-festival>.

## March Monthly Meetings

**In Baton Rouge on March 11th** we had a GREAT meeting and goody bag stuffing party. Thanks to all that participated and brought things for the bags! We had the big room and 2 dedicated servers! Whoo-hoo!! Rick gave us an update on Mary Lynne's eye problems and all wished her well. Then Colin and Benny filled us in on how the show is progressing - we have 115 pre-entries so far!!! They had a list of classes, which had extra slots "in case" we needed them. Easier to delete classes than add them.

**Meanwhile, back in 2012:** The Guru and Roving Reporter were heavy into bicycling and happened to make the inaugural "17th Street Levee Ride" in New Orleans. We started at City Park by the art museum and made our way around the lakefront checking out all the damage Katrina had caused. No electric bikes on this ride, and my knobby tires sounded cool but were dragging me down! Then we drove over to Delgado for lunch at a familiar little Cafe. --Roving Reporter (back in my slow-roving days)

**In Mandeville on March 19th**, it was a full house at Coscino's with over 30 Northshore members showing up big time to help us get everything in order for our British Motoring Festival. After dinner and catching up on life's happenings, Benny shared photos of the past month's activities. Two new members, Jan Songy and Greg Lalonde were introduced and welcomed. Jan has a pristine TR6 and Greg is thinking about restoring a Jaguar. Then we got down to car show business, reviewing everyone's volunteer roles and when and where to show up with what. All of that!

**On the South Shore in Harahan on March 25<sup>th</sup>** our meeting was held just a few days before our British Motoring Festival and several aspects of the show were presented and discussed. Lee Matthews handed out directions and discussed the Friday convoy leaving from the McDonald's on West Metairie and Severn. Roger Jeffrey discussed the Saturday morning convoy leaving from the Wendy's on Causeway at 16th Street. Route maps were handed out with the directions on how to arrive at the car show. Alan Bradley reviewed how the judging and voting would be handled. Roger reminded anyone who volunteered to help with parking or judging to arrive early. We then discussed our upcoming visit to Delgado Automotive Technical Training School on Tuesday, April 1st. — Roger Jeffrey

## *St. Anthony's St. Patrick's Celebration March 14th*

For the past few years we've been invited to take part in St. Anthony's Gardens Residential Community's St. Patty celebration. Seven British cars cruised around the parking lot waving and tossing lucky charms to everyone lined up along the driveway. Some of the folks rode along in our cars. The lady in the Sprite found out it's hard to get into, but impossible to get out of without help from two men! But it sure was fun for the young at heart, and they're probably still talking about their lucky day!

## *Cars and Coffee, March 15th*

Our morning at Toasted Yolk in Covington was a day to beat the weather, and later heavy thunderstorms and tornadoes moved through the area. We did have enough British car fans in attendance to make it official, and everyone made it back to the garage without getting wet.. —Meandering Muckraker

### THE FIRST ANNUAL NEW ORLEANS BRITISH CAR SHOW

LAFRENIERE PARK

METAIRIE, LOUISIANA

APRIL 19 & 20, 1991

## *Covington Celtic Club Parade March 16th*

Strong thunderstorms caused the parade to move from Saturday to Sunday, and it was a much more suitable day for our ten participating LBCs. Southshore people Allen and Susan Bradley, and David and Chesney Loeb and family joined Northshore members in the fun. The parade goers loved seeing our festively decorated cars. David's Morris Minor Traveller got a lot of attention.

## Northshore Cars and Coffee March 22nd

A sunny day, a colorful lineup of British cars and a crowd of BMCNO-ers made our breakfast get-together worth getting up early for. What better way to wake up than 55 down the highway top down at 7 a.m.? Other than solving the world's problems, much talk this morning was about our car show with plenty of anticipation, and much participation.

## Brits on the Bay Weekend Trip Plans April 11th by Rick Huber

I talked to Cam Leonard of the Panhandle British Car Association and here's the plan for Pensacola's Friday April 11<sup>th</sup> outing. We should be able to plan the Friday group caravan to join them in Mobile. Once the meeting point and time is established (the MS welcome center is currently closed) I'll notify everyone of a BR group meeting point and departure time and when and where to join up with the other groups.

The Pensacola Car Show's Friday activity is a Mobile Bay harbor tour. This is a 2-hour trip around Mobile Bay. Of particular interest will be a stop at/around the ocean liner SS United States, which holds the record for shortest Atlantic crossing time by ship (I think that's right). It's being prepped to be sunk off the coast, making a large, man-made reef. The tour departs from the Port of Mobile Convention Center on Water St. at 1:30 p.m. Cam says to arrive by 1 p.m. for our group tour. Current cost is \$36 per person but if we can get 24 people there's a group discount. Please RSVP to Rick Huber, 225-571-7064 or [mlandrick@gmail.com](mailto:mlandrick@gmail.com) (unless someone else would like to be the BMCNO contact) and I'll pass the word along to Cam.

## British Motoring Festival Welcome Reception **March 28th**

It was a very festive and well-attended reception at the Firehouse Events Center the night before our car show. Club member Paul Jaquillard cooked delicious jambalaya, John and Sally Brink provided mini-muffalettas, Joanie Duplantier made some fabulous cornbread, Lilly Stiegler brought her scrumptious spring salad, Michelle Savoy brought tasty cookies, Colin McCormick brought two of his famous home-made pecan pies and Melania Jackson made yummy cake. And thanks to the many folks who helped turn the Firehouse into a place for a British Motoring Festival in about an hour's time!

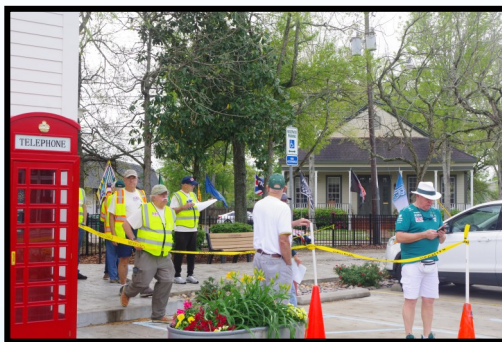

## 2025 British Motoring Festival

March 29th turned out to be a fantastically wonderful day for our club and for our British Motoring Festival! Weather forecasts called for heavy thunderstorms, but we moved ahead with the show with only a few adjustments. Then, by way of some kind of fortune, we had no rain at all during the day. Pretty much everything went according to plans, and everyone seemed to have had a great time. British Motoring Club New Orleans would like to thank all participants and volunteers, the City of Covington and the public for supporting this event. Let's do it again in '26! Here are some of the sights from the show.

## Delgado Auto Tech Visit by Roger Jeffrey

On Tuesday, April 1st, several members from the South Shore group brought cars to Delgado Automotive Technical Training school. Others attended as observers and assistants. Vehicles and club members present were Fred Seeling, 1973 Land Rover; Dan Allegar, Triumph Spitfire; Allen Bradley, - Triumph TR6; Jim Clark, Alfa Romeo; and Richard Gaudry, 1959 MGA. Observers and Assistants included Roger Jeffrey, David Loeb, Lee Matthews and Danny Weil.

The head of the department, Donald Davenport, was very pleased with our visit and the Delgado students were highly engaged, with interesting observations and questions. Each car owner spent time explaining the features of their cars, and Richard Gaudry even demonstrated how to crank his car by hand. Several students gave it a try, with only one being successful. Donald Davenport invited us to return at a future date. Everyone scooted out just in time to get home before the rain arrived.

April 5th, 2025

Yet another Saturday with a threat of storms didn't deter these club members from rolling out their LBCs, many with tops down at Liz's in Mandeville. After our fill of coffee and checking out motors in the parking lot, some of the guys managed to get in a countryside drive long before the bad weather arrived.

## *Calling all British Motorcycle Owners*

We're getting more people in the club lately with motorcycles and other bikes, and that's exciting. If you come across someone who owns a British motorcycle, invite them to participate in our club. Milton Franklin, Baton Rouge, would like to organize motorcycle events for owners of British Motorcycles. Harley groups are always cruising the roads so we would like to start British motorcycle cruises. We would also like to increase the number of motorcycles at our Annual Car Show. So...Continue to look for British motorcycles to tell them about our club, and give out our business cards or direct them to our website.
