## **PRESIDENT'S MESSAGE by Colin McCormick**

Welcome to the December edition of the Morris Gazette. It's time to take stock of our past year while we prepare for the holidays.

It has been an excellent year for BMCNO in many ways. We continue to attract new members (currently at 205 members) which reflects our reputation for satisfying folks' interest in and experience maintaining and driving our Classic British automobiles.

Community exposure is growing at our three local Cars and Coffee events. More of our members are attending local cruise nights and car shows, as well as those further away and in neighboring states. This creates great interest in our cars and our club. Let's keep it up and spread the enjoyment of British Motoring.

This year we have modernized our bylaws after a very prolonged effort. This will help the club operate more smoothly. And we've seen increased interest in serving on our Board of Directors.

Recent events for our club have included the Antique Motorcycle Club's show and swap meet in Slidell, and our Memorial Rallye and picnic at Tickfaw State Park near Springfield.

Coming events include our annual Christmas Party, which follows the Harahan Christmas parade. Our members will be driving their British cars in the noontime parade, and then this year's party will be at the Ground Pat'i in Kenner's Old Town neighborhood at 2 p.m. The party will not be catered like last year. Each attendee will be responsible for their own bill.

Looking ahead, Sunday, February 22nd we'll drive to Manchac for an early lunch at Middendorf's. On Saturday, March 14th, Violet and Bill Nix will host our Proper British Breakfast at their home in New Orleans. And most importantly, we're gearing up for our British Motoring Festival in Covington on March 28th. Get your car ready! Registration will open soon and we're expecting a big turnout.

You will find details about these events as well as tons of other interesting tidbits in this edition. You might even find a Christmas gift for a certain someone in the classified section. So, settle down in your favorite chair next to the fireplace, enjoy a good read and then tomorrow take your LBC out for a brisk morning drive.

Keep calm and drive on,

Colin McCormick

## November 11th **Baton Rouge Meeting**

We had a great meeting at **Cafe' American** on Jefferson Highway with a good crowd, and the food and conversation were terrific as usual. Rick went over past events, and we talked about stuff coming up. Bobby gave a brief rundown on the BMCNO board meeting and some finances of the car show. Rick, Mark and Les braved the cold weather and drove their LBCs!

Bill Nix and Richard Gaudry came from New Orleans and gave us a presentation on their trip to the Goodwood Festival in England this year. It was amazing! British cars and WWII aircraft, and everyone in period costumes. They detailed their trip and stays in British Pubs and castles, and told us about previous years they had gone. They showed us pictures of the parking lot and OMG it looked like a huge car show in itself! Lots of LBC for sale and Bill said he bought a Land Rover there one year, then had it shipped to the U.S. (Same cost as shipping a car across the country.)

In a wild coincidence, I was watching "Kidd in a Sweet Shop" on YouTube last night, and the high-end car collection owner she was interviewing showed Jodie a Mini Cooper that HE had bought at Goodwood. Sounds like the trip of a lifetime!

## **Northshore Meeting November 19th**

Roger Jeffrey, Bill Nix and Richard Gaudry came from across the big pond and joined the usual gang at **Coscino's** for dinner and our meeting. After everyone enjoyed good pizza and other menu items. Benny shared two car news articles. The one from Hagerty was "5 Bad Cars I Want Anyway." Three of them are British! ('73 to '76 Jensen-Healey, '94 to '98 Land Rover Discovery, and '88 to 94 Jaguar XJ6) And Hemmings had one on cars with the most internet searches. That list included the culturally well known British cars like the Jaguar E-Type, Aston Martin DB5 and the Delorean DMC-12. We looked at photos from events of the past month, and Colin talked about what's coming up, club business, our election results, and getting ready for our big British Motoring Festival in March. Then Bill and Richard shared their wonderful Goodwood presentation. Sure looks like a great trip to make one day, and flying non-stop for New Orleans to London makes it even better.

**November 25th Harahan Meeting** While dining on **Italian Pie** grub, we went over our plans for the Harahan Christmas Parade and our club party on December 13th. Should be a fun time! Richard Gaudry is planning to host a tech session at his garage on February 21st and everyone is invited. We'll send details when it gets closer. There's no Southshore meeting in December, so this was our last meeting of 2025.

## Covington Cars and Coffee November 15th

More than a handful of friends showed up at Toasted Yolk this morning, not as many as Liz's. That's okay. We got to see our good old friends Wally and Cort who came in Wally's Jaguar, and Hugh brought Mercy for a visit. After breakfast and checking out the rides, about half of us left to get ready for the drive to Tickfaw State Park.

## Luray Caverns Car and Carriage Museum

Thanks to Debbie Watts for sharing these Morgan photos from her visit to the museum in Luray, Virginia. Looks like a very nice park to visit and a beautiful part of the country near Shenandoah National Park.

## E.E. Reynolds Memorial Rallye November 15th

What a perfect day for cruising the back roads in South Louisiana! Les Landon met me at Circle-K on Juban Road, and we drove 2-lane roads to the Tickfaw State Park for our annual Memorial Rallye and picnic.

Man, that park is a hidden gem! We had light traffic, and the weather was nice and cool. At our pavilion was a literal "who's who" of BMCNO members including current and past presidents, secretary, treasurer, newsletter editors and at least 2 or 3 area coordinators and members-at-large. Along with Linda and Cliff Hughes were Lanie and Brad Mayo, Lilly and Benny Stiegler, and Stephanie with Colin McCormick, all driving together from Madisonville. And from the Southshore, Linda and Bob Gordon, Susan and Allen Bradley, Cathy and Mark Greensfelder plus Chad and Rachel Wicker all made the drive. Chad and Rachel were in their 'new' baby-blue Triumph Spitfire with big grins on their faces!

The picnic pavilion was very nice and right next to the washrooms and parking lot, and I was impressed by the beautiful and immaculate park grounds. Other people visiting the park were blown away by our little British cars. Colin did a memorial presentation noting, E.E. Reynolds (club founder) and those who have also passed away. Several of us put flowers in a vase as we talked about close friends or family members we missed, and it was very moving. Cathy brought a \$500 memorial Jaguar part to share with us.

Then we all enjoyed a picnic lunch, and some members walked a trail or two. Les drove back I-12 in his TR V8 rocket, but I did the back roads again, having to correct Garmin on one or two turns. It kept wanting me on the interstate bad... But I prevailed, enjoying a leisurely pace along the curves and bayous. And the smells; people burning leaves, the scent of pine trees, and unfortunately, roadkill — two possums, a large dog and a small kangaroo... You had to be there.

## BMCNO Northshore Cars and Coffee November 22nd

Saturday was a cloudy and misty morning, apparently just right for British car fans. We had 18 British cars in the parking lot at Liz's in Mandeville and a full house inside for breakfast. Then a group of us went on a nice drive north of Abita Springs. What seemed like 150% humidity had us giving the wiper switches a workout. We ended up at the Abita Trailhead where Robert delighted Robbie, Joel and Mary with rides in his MG Beast.

## Meanwhile, November 29th in Baton Rouge...

Nice crowd this morning at the James Restaurant in Denham Springs. Me, Rick, Danny and James (not pictured) drove our little British drop tops. Larry & Cathy were in Natalia's new Mazda CX 90 SUV. The road-tripping puppy went with the turbocharged straight 6 with 3rd row seating. Although she has her own throne. Oops, I mean seat.

Randy was in his Bronco and Danny B was in his trusty 4X4 Ford pickup. Only a couple RODS drove this morning... and while yellow is not a common color on "parking lot" vehicles, this morning it was the way to roll.

## Northshore Cars and Coffee 11/29

The tryptophan wore off and a bunch of our BMCNO-ers managed to get their British cars parked around Liz's Where Y'at early this morning. We had a new Cars and Coffee participant who came in a smashing Aston Martin. The diner was busy, and the regular folks had lots of comments and questions about our cars. The weather was cool enough for jackets, but warmed up enough for a nice drive here and there across the countryside.

## BMCNO Rain or Shine Breakfast Club December 6th

I'm always amazed at the number of people showing up at our weekly Cars and Coffee events in Mandeville with British cars and other interesting vehicles. Even more amazing was the attendance this Saturday after three days of rain, and after a brief break more was on the way. There was a strong drizzle by the time everyone left. Sure, we're a car club, but this is the social club side of what BMCNO is about, showing up to see our friends. Preston came in his Jensen-Healey after using a few bulldog clips to make the top more waterproof. Other than that and a couple of hardtop Jags there were a lot of pick-up trucks outside. While we were standing outside under the awning watching the rain fall I noticed Cliff's Louisiana Centre MG Car Club patch. He doesn't look like he's aged much more than that jacket. —Meandering Muckraker

**CLASSIFIED ADS AND SPARES FOR SALE**

Recent find in a gentleman's garage. He replaced the tires, had the rims blasted and painted, replaced the mufflers, several cooling system parts ie switch, relay fill plug coolant. Car was purchased in New Orleans and shows 38,555 miles. We added to the work by tuning the engine, plugs, fuel and air filter, rebuilding the carburetor, new egr valve, Removed the intake/exhaust manifold and replaced the gasket, donut, and studs with brass nuts. Several engine pcv hoses. Replaced the rear brake wheel cylinders, bled the system with fresh brake fluid. Installed a new top with front seal to windshield. Car comes with the box of body seals and gaskets shown. This car does not look to have rolled over the speedometer as it is in really nice shape with no rust that I have found. Look at pics and ask questions. I just lowered the price and am looking to move this car as I have several and need the space. It would be a great car for someone to jump in and drive, it drives as it should. I have more pictures if you are interested. Call Hugh at 318-664-5427.
