## BMCNO Upcoming Events

### TECH SESSION February 21st

Everyone is invited to Richard Gaudry's garage in Kenner starting at 10 a.m. Richard has all the details for you on page 11 of this newsletter.

### Baton Rouge Cruise January 24th

We'll visit a tea farm near Amite, go on a nice drive together and then do lunch in Amite. Find all the details on page 10.

### Middendorf's Run February 22nd

Our traditional drive to the world famous restaurant is always well attended, with the parking lot full of British cars and the big dining room full of British car fans. Your area coordinator will give you details on your group's drive. It will be an early lunch. The staff wants us to arrive by 10:45 and be seated by 11.

### British Breakfast March 14th

Bill and Violet Nix once again will host our club for a very Proper British Breakfast at their home in New Orleans, featuring homemade scones, bangers and beans, strawberries and cream, coffee and, of course, flavorful tea. Plus, see the latest in the quite fabulous Special Edition Garage.

## more BMCNO Upcoming Events

### British Motoring Festival March 28th

Our 34th annual show will be in Covington once again this year. Save the date and plan to enter your car. Club members are encouraged to volunteer and help to make this the great show we know it can be. Registration begins January 15th. Read our update message on page 15. And we'll once again have valve cover racing presented by our BR group. Get your racer ready! Rules on page 20.

### British Motoring Festival

March 28, 2026 Covington Trailhead

### Natchez Concours d'Elegance April 11th

On the bluff in front of the Grand Hotel and brought to you by the Rolls-Royce Owners Club. Entry is free. Natchez sure is a nice place to spend the weekend. See the flyer on page 24. Enter your car here: <https://natchezconcours.com/>

### Brits on the Bay April 18th in Pensacola

Panhandle British Car Association presents their 32nd show in Seville Square. This show and the Natchez show are now on different weekends, so we can attend both! See the flyer on page 25. Registration form is at the link below:

<https://www.pbca1.com/show.htm>

## Monthly Club Meetings

### Baton Rouge

2nd Tuesday of the month

Dinner at 6, Meeting starts at 7 p.m.

Cafe American, 7521 Jefferson Hwy at Lobdell, BR

### Northshore

3rd Wednesday of the month

Dinner at 6, Meeting starts at 7 p.m.

Coscino's Italian Grill, 1809 N Causeway, Mandeville

### South Shore

Last Tuesday of the month

Dinner at 6, Meeting starts at 7 p.m.

Original Italian Pie, 5650 Jefferson Hwy, Harahan

## BMCNO Cars and Coffee

### South Shore

First and third Saturday of every month 8 a.m. Chateau Café, 139 Allen Toussaint Blvd, N.O.

### NorthShore

Saturday at 8 a.m., Liz's Where Y'at Diner 2500 Florida St, Mandeville

Third Saturday at Abita Roasting, 1011 Village Walk, Covington

### Baton Rouge

Every Saturday at 7 a.m., The Warehouse Restaurant, 12328 S Choctaw Dr, Baton Rouge

## December 9th *Baton Rouge Meeting*

We had a nice crowd at our meeting last night, but only Rick braved the cold in his top-down Austin Healey. Attending were Milton and Annette, Debra and Harry, Rick, Tom H., Les, Charlie and Jean and me. Les suggested we do the January 24th BR Tour to the Tea Farm and Tea Room over in Amite, then lunch at the Boston Restaurant. Sounded good to everyone.

Speaking of farms, Milton and Annette told us the story of their Costa Rica trip with Louis Miller back in the day, and it was too funny. From the iguana attack to scoring 1/2 kilo of... vanilla beans while they were down there.

We talked about past and future events and I gave a review on what happened at the December Board Meeting. Then Milton and Annette won a \$25 gift card for winning the annual Christmas costume contest! Way to go! —*Roving Reporter*

## *Northshore Meeting December 17th*

'Twas a jolly good crowd just a week before Christmas, our final meeting of the year. With a few newer members attending, everyone was given a turn to introduce themselves and talk about cars or whatever else they would like. Then Benny had some info on the Vauxhall Victor, a British car produced for 20 years beginning in 1957. The first one looked kind of like a '57 Chevy, probably because Vauxhall was owned by General Motors. It was said to be too American for the Brits, and too British for Americans, but for a short time it was England's most exported car. We looked at a couple of other cars rarely seen in these parts, saw photos of events from the past month, and Colin talked about upcoming events and our car show on March 28th. Mostly, it was nice to see everyone and wish each other Happy Holidays. At our January 21st meeting Lee Matthews will present All About Whitworth Tools, and Danny Weis wants to tell us about his Stearman biplane flight at Lakefront Airport last year. —*Meandering Muckraker*

1957 Vauxhall Victor in New Zealand

From our January, 1996 Morris Gazette Newsletter

With the start of the New Year we, by nature, tend to reflect on the past. I would like to do a little reminiscing on the accomplishments of our outgoing president, **Cliff Hughes**. Cliff was our president for 1995, served as vice-president in 1993 and 1994, and as newsletter editor in 1991 and 1992. Although his contributions over the last five years are too numerous to list, there is one I would like to mention. Cliff supervised the changing of the club's By-Laws and Articles of Incorporation and had them registered with the State of Louisiana. This task took months of work, and for this we all owe him a debt of gratitude.

## January 24th **Baton Rouge Cruise, Tea Company Tour and Lunch**

by Rick Huber

Every year for a while our Baton Rouge group has planned a drive and activity around this time that's now famously known as The Baton Rouge Cruise. This month's Baton Rouge Cruise will be Saturday, January 24th instead of the earlier planned 31st to fit into the Tea Company's schedule.

The three area groups will depart from their desired locations in time to arrive at the Fleur de Lis Tea Company at 58265 North Cooper Road in Amite, Louisiana. Fleur de Lis is Louisiana's only tea farm, producing hand-plucked and crafted small-batch artisan teas.

Plan to arrive at 9:45, in time to use the bathroom, buy tickets, and mill about before the 10 o'clock start of a one-hour tour of the grounds and the processing area, followed by a tea tasting. Tour and tasting will take about 1 1/2 hours. Cost for the tour and tasting is \$15 per person.

Following the tasting, so about 11:30, we'll depart for about an hour drive around the back roads of the area and we'll end up at The Boston

Restaurant in Amite for lunch. After lunch, we'll depart as singles or as groups back home. Both the Tea Company and the Boston would like to know about how many people will join us, so please R.S.V.P. to your local coordinator, contact me at [mlandrick@gmail.com](mailto:mlandrick@gmail.com) or call 225-571-7064. We'd like to have a head count by Thursday, Jan 22nd, and we hope to see you there! —Rick Huber

## BMCNO NorthShore **Cars and Coffee** December 13th

It was an impressive collection of cars around Liz's this morning and a fine collection of drivers to go with them. Once the coffee got flowing inside, which was right away, we got down to forgetting about whatever the problem was and enjoying each other's company. That spilled out into the parking lot for a while after breakfast. Some of us took off for Harahan not long after to drive in the Christmas parade, and a bunch drove across the lake later for our club's Christmas party.

## February 21st Tech Session

by Richard Gaudry

I'll be hosting a Tech Session for our British Motoring Club Southshore folks, and any intrepid members from our Baton Rouge and Northshore groups are more than welcome to join us on Saturday, February 21st, 66 Cycas in Kenner. We plan to start at 10:00 a.m. I'll be serving jambalaya, salad, drinks and a dessert so we can keep our wrenching strength up.

This is not a traditional tech session where one project is done, but a chance to work on small things on your car and get advice and encouraging grunts from fellow members. I have a pretty good selection of tools, but bring any odd ones you may need for your particular car and project. We have a 3-bay garage, and 2 four-post lifts, so it's a great chance to have a good look under the car and tighten things up or find out what that strange noise is underneath. Last time we had about 15 cars, so we'll need to juggle who goes where and when. We had a good time and got to see others' cars we didn't know much about, and it's good checkup before our car show on March 28th.

Please R.S.V.P. if you are coming so I can get a head count for food. Email [richardgaudry@gmail.com](mailto:richardgaudry@gmail.com) or text to my cell 504-669-5406. Directions are from I-10 in Kenner: Williams exit, go north to Joe Yenny Blvd, take a left. Go (west) about a mile to Gabriel subdivision main entrance on right at the light. There's a guest entrance at the guard gate, they'll ask for an ID (that keeps the French and Italian cars out). At that point, ignore your GPS, go the second stop sign (Cycas), turn right, we're the 3rd house on the right. We'll need to keep the service alley behind clear so my neighbors will speak to us after everyone leaves.

Hope to see you there,  
Richard Gaudry

## Harahan Christmas Parade

Saturday, December 13th

A sunny and warm December day, about what you might expect for a Christmas parade in south Louisiana, set the scene for British Motoring Club members gathered to get ready for the noon-time start. We had 21 eye-catching LBCs to decorate, some simply draped with garland and others done more extravagantly. We donned silly costumes, festive red and green Hawaiian shirts, club shirts and shorts. No one dressed as a Santa imposter; the real Kris Kringle was at the end of the parade. Once we rolled onto the highway things moved along at a decent pace, with no engines overheating this time, tossing candy treats to the good boys and girls. By 1:30 we were done and heading down Jefferson Highway to Williams Boulevard for our club Christmas party. A great deal of thanks once again from all of us to long-time BMCNO member and Harahan resident Allen Bradley for organizing this fun event!

## more Harahan Christmas Parade

## BMCNO Christmas Party December 13th

At the end of the Harahan Christmas parade we drove our cars another three miles down Jefferson Highway to Williams Boulevard with the decorations attached to the club party. That was kind of fun, and we got there earlier than expected. We moved along faster in the parade this year, only impeded a bit by the ladies group driving La-Z-Boys. They're much slower than British cars. Then everyone else started showing up and we had a crowd of 60 or more. The Ground Pat'l restaurant expanded the area for us, but they weren't ready to get food out to that many people. They did apologize for that. We still had a fun time, and it's always great to see our club friends for the holidays. —Meandering Muckraker

## December 20th N'awlins Cars and Coffee

It was a very cold morning at Cars and Coffee today, but still a good turnout for breakfast at Chateau Café. Everybody's invited to join us next time... January 17th. Maybe springtime will be here by then. —Roger Jeffrey

## British Motoring Festival Preparation Update

We're busily getting everything in order for our March 28th car show. There is a lot to do, but with you and our other members pitching in, we're going to get it all done.

We have a couple of jobs where we need a good number of volunteers. The big one is parking cars the morning of the show. We need 30 to 40 people to give us an hour of time directing cars to the right place. If you look at it mathematically, if we have the turnout we want, on average we need to park at least one car every minute!

Another job at the same pace is helping to get folks quickly through registration and photography. We can use a dozen folks to help pass out packets to those who have pre-registered, and to help with the day-of registration. Again, with enough help, each person will volunteer for about an hour.

Leading up to the show we solicit cash sponsorships and door prizes from stores and businesses. We need few people in each region, New Orleans, Baton Rouge and Northshore, to work on this. We'd like to get door prizes from each region so a gift card or coupon can be used where the recipient lives. This job can be done on the phone or by email. Cash sponsorships can be made online. Prizes will need to be picked up.

Every year our generous members step up and sponsor our show. We're making this easy to do online at our website, [bmcno.org](http://bmcno.org). Please consider being a show sponsor. It's expensive to put on a good show, and the \$30 entry fee doesn't cover it.

We also need everyone in the club to enter their British vehicles. Registration will open on January 15th. Please register online. This makes it very easy for us. You can also mail in the form with a check or hand-deliver it with cash or check. You may also pre-order a 2026 British Motoring Festival t-shirt when you register. We won't have many available other than the pre-orders. Claim yours so you won't be disappointed.

Forms for show registration, sponsorships and prize donations are at the end of this newsletter and also on our website.

There are many other jobs to be done, setting up, picking up, helping at the Firehouse reception, and selling 50/50 tickets. Let us know what you can do to help, or just let us know you will volunteer and we'll find a place and time for you. Contact Colin McCormick or me, Benny Stiegler. We greatly appreciate your membership and your support. Our contact information is on page 4 and in our club membership directory.

THANK YOU!!

## Northshore Cars and Coffee 12/20

Our third Saturday Northshore Cars and Coffee has moved to Abita Roasting in Covington. We were coming here a number of years ago, and this was our first time back since then. We had a good turnout, with Wally and Cort as very special guests. Hugh and Mercy came, and Cliff was there to demonstrate his Magnette's trafficators. The big highlight and surprise of the day, though, was Karl Keiger in a really sweet Austin Healey 3000. A friend in Florida called Karl and asked if he wanted to buy it. Why

**BMCNO wishes you a happy and prosperous 2026.**

## Meanwhile, in Baton Rouge

Wow, what a great morning! We filled a big table at James Restaurant (but the RODS outnumbered us in bodies). Danny Varnado, Tom and Nancy Halbert and I drove our LBCs, the Landrys were in their Rambler wagon and Randy Fleming was in his Bronco. Chris Savoy and Danny Bergeron attended as well. Afterward, Larry and Cathy Kelly joined us to cruise up to Watson where Milton and Annette Franklin were waiting, and Jim Fleming joined us later.

We got to see Dana's extensive Christmas Village, and it was amazing! Most were the original issue items. Then we toured Danny's shop and his stash of British car parts next door. And to think, the little blue car was out there just a year ago! Dana had coffee and goodies, then we sat and watched the birds for a while. We plan more shop tours and tech sessions in the future, so stay tuned! —Roving Reporter

December 27th

## A Most Beautiful Quilt

Club member Terry Lopez's sister, Wendy Martinez made this beautiful Austin Healey quilt for him. Terry said she worked on it for three years! Wow, that sister is really special—in many ways!

## BMCNO Northshore

### Cars and Coffee December 27th

We could see the fog rolling down Florida Street in Mandeville early this morning, but we nevertheless closed out the year in a big way with probably a record 35 British car fans gathered in the spirit of good friendship. We filled up the long table, and then kept adding to the kiddie table until that was full and we took over a couple of booths. Our compliments to Liz's Kitchen and wait staff for putting up with us, getting everything out to the right people and keeping the hot coffee flowing. Let's do it some more in '26!

### Baton Rouge New Year's Bash

A "who's who" of Baton Rouge British car enthusiasts gathered at the home of Jam and Randy Fleming in Baton Rouge Wednesday night, December 31st to ring in the new year. Jam had decorated the place with a black and gold New Year's theme, and we even ate with gold cutlery! She made seafood gumbo and Mediterranean salad, cheese and crackers and French vanilla cake! Dana brought some of her homemade seasoned crackers and the Kellys supplied bubbly "Sparkling Apple Cider."

I showed up with a 6-pack of Freddie's Root Beer. Says right on the longneck bottle - "Hey Daddy-O..." We had a great time hanging out and telling stories - some of which were true. But in most cases the names were changed to protect the innocent. A big thanks goes out to Randy and Jam for a wonderful party. Check out the photo booth below! (Debra and Harry not pictured, and neither is Deborah Harry.)

## 1-3-26 Cars and Coffee in Mandeville

We celebrated the New Year this morning and our first 2026 Cars and Coffee. Let's hope for many more to come! All of those LBCs in the parking lot attract all kinds of people. A guy came by passing out King Cake knife rests (?) and wanting to take drone photos and videos of us. So after breakfast we did some posing for him and the usual palling around in the parking lot. Then a group of us headed out for the first drive of the year. We followed Colin up to Abita Springs and across the St. Tammany countryside, seeking out the roads less traveled. It's said to be good for your personal growth.

Northshore BMCNO member Hans Hassinger shared this (very) old photo of his first car—a 1952 MG TD that he bought used in the summer of 1961 after saving up all his nickels.

And Southshore BMCNO member Tom Bonner shared this photo to show us you really can pick up your Christmas tree in an MG B!

## British Motoring Club New Orleans Valve Cover Raceway

If you haven't yet, start working on your valve cover racer so you can participate in the fun at our British Motoring Festival. You can be just about as creative as you want. The rules are very simple.

### BMCNO Race Rules

#### The Valve Cover Race Cars:

- No engines or propulsion.
- No moving weights.
- Wheel can be attached to the car in any manner, but must not extend beyond the front of the valve cover.
- Nothing can extend beyond the front of the valve cover.
- Cars shall be based on an actual rocker cover from a British automobile engine.
- Cars must have four wheels, each no more than six inches in diameter.
- Wheel must have a non-metallic surface contacting the track.

#### Critical Dimensions:

- 15-inch maximum overall car width.
- 10-inch maximum overall car height.
- 10 pounds maximum weight by official scales.
- The front of the car should have a contact point approximately 2 1/2" high.

### Track Dimensions

#### The Course:

- The course shall consist of a launch incline ten feet long, followed by a level run of sixteen feet – all plywood surfaces.
- The launch incline shall be divided into two lanes, each 18 inches wide. The incline shall be about three feet high at the rearmost part.
- The official "Starting Line" is two feet from the rear edge of the incline. Rear wheels must fit within this measurement!

### Running the Race

- Double elimination brackets in heats of two cars each. (Each pair will race in each lane – 2 out of 3 if a tie)
- NOTE: The starting gate is 3.5 inches tall. Racers should have a surface flush with the front of their car approximately 2 1/2 to 3" high to contact this metal tab.
- Individual starting via push buttons by each racer, following an electronic "Christmas Tree" lighting system.
- The finish line shall be marked about sixteen feet from the front edge of the launch incline.

## 2025 British Motoring Festival Sponsors

British Motoring Club New Orleans offers a heartfelt thank you to these businesses, club members and friends for sponsoring this year's car show. Their generous support makes it possible to host this incredible event.

### Benefactors

Broadmoor Design Group, Mandeville   Prestridge Cars Inc, 13555 Tiger Bend, Baton Rouge

## *Calling all British Motorcycle Owners*

Kirk Haas

TRIUMPH

We're getting more people in the club lately with motorcycles and other bikes, and that's exciting. If you come across someone who owns a British motorcycle, invite them to participate in our club. Milton Franklin, Baton Rouge, would like to organize motorcycle events for owners of British Motorcycles. Harley groups are always cruising the roads so we would like to start British motorcycle cruises. We would also like to increase the number of motorcycles at our Annual Car Show. So...Continue to look for British motorcycles to tell them about our club, and give out our business cards or direct them to our website. If you need more please contact Milton Franklin at [densalprop@cox.net](mailto:densalprop@cox.net).

## Classified Ads and Spares For Sale

**1950 MG YA** with sunroof owned by long time club member Mike Lewis. The car won Best of Show at our 2000 British Car Day and many other awards. Mike was the founder of the New Orleans based Original Mardi Gras T's with John Pence. Mike and friends were able to keep the club growing for about 50 years. He would like the Y to have a new owner who would keep it in good shape! Please call if you are interested. 985-276-4319. Asking \$15,000.

**1988 Avanti Convertible For Sale** Avantis were originally manufactured by Studebaker Corp. in 1962 and 1963 as a fiberglass coupe. When Studebaker ceased production, **Leo Newman and Nate Altman**, wealthy Studebaker dealers, bought the rights to the Avanti, tooling and stock to continue manufacturing the car in one of the Studebaker buildings in South Bend, Indiana. They called it the **Avanti II** to differentiate it from the Studebaker produced cars. Other owners and partners continued to manufacture coupes and convertibles under Avanti Motor Corporation until 2006. As the company ran out of most Studebaker parts, they began basing the car on GM production cars. This Avanti, manufactured under the "Michael Kelly Era" in Youngstown, Ohio, is based on a 1988 Chevrolet Monte Carlo (GM 305CID). It is a reliable and road worthy car with 77,038 miles. It doesn't burn any oil and gets average fuel mileage. It rides on 15" original chrome wire wheels. The interior is in good condition. AACA National First Senior Award, Naples FL in 2016. One of only about 250 Avanti Convertibles ever produced.

**\$25k Call Fred Duplechin, 985-803-0672.**
