PRESIDENT'S MESSAGE by Colin McCormick

Welcome to the June 2026 edition of the Morris Gazette. We are settling in for the summer, a typically slower time for activities what with members' traveling plans and weather that is not quite as pleasant for motoring. I know my Alpine lets me know how it feels about motoring about in 90° + weather.

We have two important news items. First, there has been some concern about the date of our 2027 British Motoring Festival. The last Saturday of March is the day before Easter, a day that is more than likely to be filled with family activities that would cut down on the number of attendees as well as volunteers. Therefore, we have scheduled the 2027 Motoring Festival for the weekend of March 5th and 6th.

The other item, it's BMCNO membership renewal time. Dues are due by June 30th. Members like you are vital to our club's existence, and we think it's the best \$30 you'll spend all year. Club Secretary Chad Wicker has sent you an email to renew and update your information online, or you can send it by mail.

Last month over 50 members and guests enjoyed excellent crawfish and sides, as well as a wide array of scrumptious desserts at our annual Crawfish Boil in beautiful Fairview-Riverside State Park in Madisonville. The rainy weather kept a few folks away, but the rain had stopped a little before noon. The perfectly spiced hot crawdads were purchased right out of the boiling pot from Northshore Seafood in Mandeville. It was great to visit with everyone there, and a splendid time was had by all.

Also last month, a dozen or more of us enjoyed a day or two at the Corinthian Vintage Auto Racing event at NOLA Motorsports Park in Avondale. Club member Karl Keiger made a courageous showing in his MG Midget, and members Ian McDonald, Robert Rougelot and Dean Duplantier led several formation laps before each race in their British cars. It's a lot of fun to see MGs, Jaguars, Austin Healeys, Sunbeams and more out there on the track and see the cars up close in the paddock. You should try to make it out there next time.

On June 20th, the Saturday of Father's Day weekend, we are again invited to the vintage airplane collection of the Big Easy Wing of the Commemorative Air Force in their hangar at New Orleans Lakefront Airport. Last year I enjoyed the drive and the visit, and I may spring for a Stearman biplane tour over the city this year. Details are on pages 5 and 17 of this issue.

We have resumed our club's support of local automotive technology training programs. We are going to send support directly to each program so they can use it to best fit their needs. Our board recently approved a \$500 donation to Delgado Community College in New Orleans and the same for Northshore Community College in Hammond. We have enjoyed visiting those programs and sharing our cars with the students for several years, and some of those students have visited our British Motoring Festival with one entering his MGA.

In response to popular demand, we are replenishing our supply of grill badges with our club's spinner logo. We're getting prices now, and your coordinator will let you know when we're ready to take orders. They will probably be about \$40 each, and we will make a minimum order, so let us know if you want one or more.

We always welcome your input on club activities, so share your ideas with your area coordinator and they will be passed to our board. For example, we always have a club birthday party in August. What do you want that to be like? Read on for details about our activities, and enjoy your early morning top down summer drives.

Keep calm and drive on,
Colin McCormick

Vintage Racing at NOLA Motorsports

A bunch of BMCNOers attended Corinthian Vintage Auto Racing's Marvelous May Races Saturday and Sunday May 16th and 17th in Avondale. Sunscreen and hats came in handy on this sunny spring day. We viewed the track competition from the grandstand and from the clubhouse balcony. We especially enjoyed seeing little British cars on the track and up close in the paddock, and talking with the drivers about their cars. Plus we had the thrill of seeing our club friend Karl Keiger out there in his Midget with the pedal to the metal. And all well worth the price of admission — FREE! I'm surprised more people weren't in attendance.

BMCNO Crawfish Party May 24th

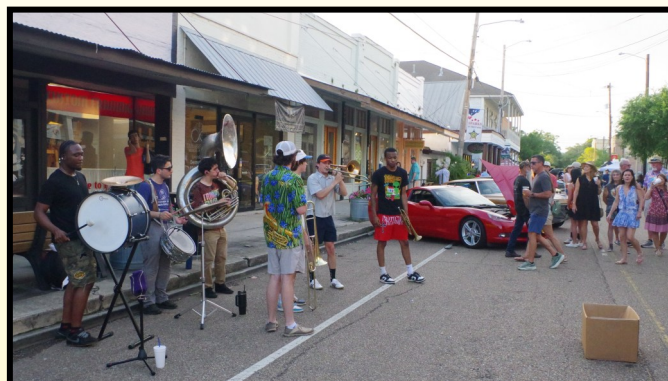

Rain? What rain? When Randy Fleming and I left Baton Rouge Sunday morning there was a 70% chance of thunderstorms, and we did have a little wet stuff along I-12. But it cleared up around Jubin Road. About 60 BMCNO members and friends turned out for our annual Crawfish Boil Party at Fairview-Riverside State Park in Madisonville. That shows what a turnout you can get when you pre-pay for boiled crawfish, LOL! Unfortunately, the British cars mostly stayed in the garage, and then of course the weather turned out to be dry and cool the rest of the afternoon. Plus, our well-maintained park pavilion had ceiling fans and air-conditioned his-and-her bathrooms! First class! BR member Mark Huber joined us after church and we had a nice time visiting with all the other club folks. I think we only ate HALF of the desserts people brought. Good job by the Northshore members. And did I mention there was no rain?! --Roving Reporter

Covington's Final Friday *Columbia Street Block Party*

It was a representative lineup of our British cars on Columbia Street, and a good number of other BMCNO members came by to visit and hang out with friends on this pleasant evening. A group of us dined together at Vasquez, our favorite homestyle Cuban-American diner. On the way, some talented young musicians entertained the crowd. The walk presents an opportunity to notice the eclectic collection of auto grills, much different than the same boring look on most of our modern cars. Join us if you can for the next party on June 26th or the others through the end of October.

May 30th in New Orleans

Thanks to a break in the rain, we had one of the largest groups attending our British Motoring Club New Orleans Cars and Coffee at Chateau Café! 18 members (including all three of Chris Landry's kids) added to the morning fun! —Bob Gordon

BLAST FROM THE PAST

From our June, 2001 Morris Gazette Newsletter

Around 47 people came out to Bogue Falaya Park on May 20 with 19 British cars (and an assortment of GMs and Toyotas). While paying in advance was a bit more trouble and required a little more planning on everyone's part, it resulted in a very smooth, enjoyable event. We ended up with exactly the right amount of crawfish. Everyone got plenty to eat and there was less than 10 pounds left over. To make sure everyone got their "fair share" we weighed out portions until everyone had their 5 pounds of crawfish. There was some good-natured ribbing about Cliff Hughes having his thumb on the scale, but the serving crew were measuring on the generous side! Then the leftovers went first come, first help yourself! Anne Friloux brought home-made pralines and Sally Breithoff brought brownies for anyone who had room for desert.

5/30 BR Report

Big crowd at breakfast this morning at the Warehouse Restaurant! And a few British Cars in our reserved lot - all really nice ones too. We had many conversations going on at both ends of the table, and after eating a few of us swapped seats to talk to different members. Rick is going to work up a "Saturday Schedule" for June now that the weather is nice. We'll be heading to Yellow Bird Café in Hammond Saturday June 13th. —Roving Reporter

5/30 NS C & C The tarmac surrounding Liz's Where Y'at Diner was lit up with our colorful LBCs this morning, although someone snuck a black Tesla into one of our parking spots. (Guess they don't know we have our parking spots marked with oil.) It's was good to see the new Wally there in his TD. Matthew came in his recently acquired Mk II Jag. And Mike was heard saying "I think there's a battery in here somewhere" as he peered into his McLaren's frunk. A typical Cars and Coffee morning in Mandeville. —M.M.

June 6th *in Mandeville*

A line of thunderstorms moved through early this morning and skies at dawn were charcoal grey, certainly enough to discourage opening the garage door. Nonetheless, troopers showed up in LBCs and in daily drivers for breakfast. Preston and Lynn win the Members of the Week award for coming top-down in the Jensen-Healey. We looked at an old BMCNO grill badge and people showed interest in having some made, probably because it's been a while since the club sold them. —Meandering Muckraker
