PRESIDENT'S MESSAGE by Colin McCormick

Welcome to the November 2026 edition of the Morris Gazette. (What is a gazette anyway, a baby gaz?) Fall has finally settled on us and has brought several opportunities to gather and enjoy our cars and share our enjoyment with the less informed.

In mid-October, 21 of us brought our cars to Fairhope, Alabama for the South Alabama British Car Club's British Car Festival, the most entries out of the visiting car clubs. Many of us brought home awards and shared a fun weekend.

Some of our members also enjoyed Cruisin' the Coast in Mississippi, either with their cars, or serving as drivers for the Vicari auction. We also just had our club's annual Memorial Rallye, and our Saturday morning gatherings in New Orleans, the Northshore and Baton Rouge are attracting large numbers of cars and club members every weekend.

In November we're visiting the Fort Pike VFD Car Show and the Scottish Games in Gulfport. And in December we will continue our tradition of participating in the Harahan Christmas parade followed by group lunch in Kenner's Old Town. Plans for our club's annual Christmas Party are still in flux. You will be provided the details about that as soon as they are available. PLEASE WATCH YOUR EMAILS FOR THAT INFORMATION. Email and this newsletter are our club's methods of communication. We would hate for you to miss anything.

This month we conducted our annual elections for officers and board members as well as a vote on bylaw amendments. I emailed the results to everyone, but they are also included in this newsletter.

So enjoy reading about those recent events and what's coming up in this edition of the Gazette.

Keep calm and drive on,
Colin McCormick

BMCNO Northshore Cars and Coffee October 10th

It was a beautiful enough morning to be out in a British car, so a bevy of club members managed to get up early and fill the parking lot and dining room at Liz's Where Y'at Cafe. We think alike. It wasn't the plan, but we sure had a lot of red around the front door. We like the same colors, too. A hint of fall weather brought on the urge for a drive, so after breakfast a half-dozen of us got our motors runnin' and headed for the highways north of Covington and Abita Springs.

Meanwhile, in Baton Rouge...

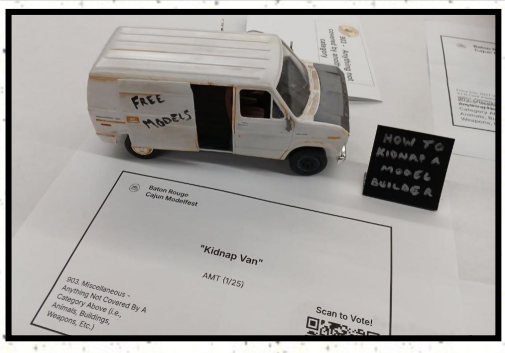

We had a nice crowd of people attend breakfast on October 10th, and it was a beautiful morning for top-down cruising! Three MGBs and an Austin Healey 3000 in the lot. The guys (and Mary Lynne and Debra) enjoyed a good breakfast.

Then later that morning Bobby, Randy and Mark Zebouni showed up at the Cajun Scale Model Fest on LSU's campus. Lots of military stuff and fantasy builds and vendors selling kits at discount prices. I won 3rd place in class (tied) with a '55 Chevy gasser I built in the 1980's with a blue pearl topcoat and a replica of the American Graffiti deuce coupe with John Milner by it. Fun day! —*Roving Reporter*

BLAST FROM THE PAST

From our November, 1991 Morris Gazette Newsletter

E.E. REYNOLDS RALLYE

A good time was had by all who participated in the annual E.E. Reynolds Rallye. After a drive across the Causeway, the rallye began. Nine cars started and nine cars finished. As always, a few got lost. No names mentioned but I hear that one car found its way to Slidell. Terry Dempre, as last years winner, organized this years rallye and did a very fine job. Everyone I spoke to enjoyed the drive. This years winner was Julian Feibelman (driver) and Jack Lare (navigator), second went to Keith Vezina (driver and navigator) and third to Fred and Shirley Denn.

Fairhope, AL @ 4,000 rpm, 14.4 gallons of gas, 1 quart of oil...

South Alabama British Car Club's British Car Festival

WOW. What a nice weekend! Friday morning Rick and Mary Lynne Huber, the Franklins, the Bruces, me and Mark Huber left the Juban Circle K and hit I-12. First stop was the Mississippi Welcome Center where we joined a dozen LBCs from the Northshore and Southshore and just missed a big fight. Four arrested, one taken to the hospital by ambulance. So with that settled and some minor parking lot mechanical adjustments, a long line of LBCs drove 60 m.p.h. to the Original Oyster House on Battleship Parkway where members of the English Motoring Club of Mississippi were waiting for us. They had a big room ready for us and the company and the food there was great!

Then we headed for Fairhope in smaller groups or individually. I hit a little drizzle along the way, but all was clear at the Key West Inn. AND the Antique Store next door. Tons of stuff, but the only thing I bought was a Butterfinger candy bar by the cashier! Friday night the reception was impressive, as usual. Lots of food and door prizes, and we got to mingle with British car club members from different states including Connecticut, Kentucky and Georgia. Debra and Harry Landry met us there, so we had a good contingent from the BR.

Saturday morning it was clear, cool and breezy as we set up at the show site, Fairhope United Methodist Church adjacent to the downtown area. Lots of shade, a food truck with good stuff to eat, free coffee and cold drinks inside. There were 120 cars on the field this year and some really nice ones.

more from Fairhope...

Lots of enjoyable classic British music was playing all day, vendors were on hand with LBC parts and enticing accessories, and we went around voting on our favorite rides while gathering knowledge from the owners. Many in our group were awarded plaques, and we were honored with the "Club Participation Award" for having 21 registered BMCNO cars! Everyone agreed it was an excellent show and a fun day.

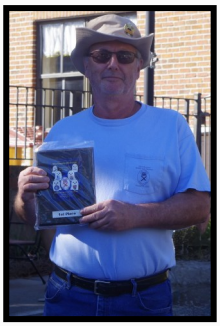

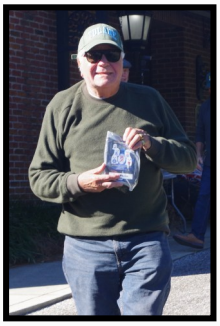

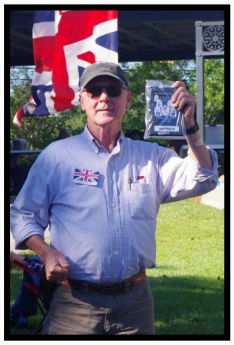

Fairhope British Car Festival

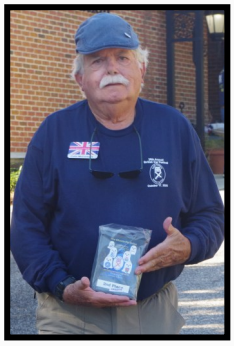

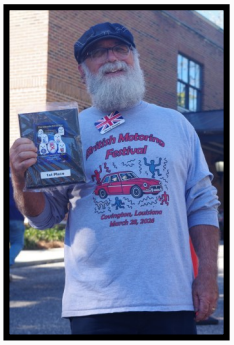

Brian Monson's MGB LE had master cylinder problems and his front wheels kept locking up. He was brought back to Harahan via a rollback on Sunday. Then Milton Franklin had the *same* problem on the way back with his XKE! He pulled into the Louisiana Welcome Center with smoke pouring from the front brakes. Annette called AAA, so Rick and I left them at the rest stop. Oh, those LBCs!!

But it was a GREAT trip, and Fairhope is one of our favorites. The BR group and everyone else had a really good time caravanning to and from the show, except of course for the breakdowns, and we enjoyed hanging out with some really cool people at the show. Join us next time! ---*Roving Reporter*

October 24th Cars and Coffee in Mandeville

What an impressive lineup of cars this morning! It was like an unofficial fall version of our Motoring Festival. We had a pretty good crowd inside Liz's Diner for breakfast, then we took our caffeinated selves out to the parking lot where Brad showed Larry a thing or two about his new A. and Robert R. showed Robert M. the turbo setup in his Mini. After a bit more tire-kicking and garage-talk, the Mini along with a Midget, a Spitfire, an MGB GT and an Alpine were driven to and fro through the pine forest soaking in the sights along the way, first to the northeast, then more north, next to the west, and finally toward the Tammany Trace Abita Trailhead. What a great way to spend a fall morning! —Meandering Muckraker

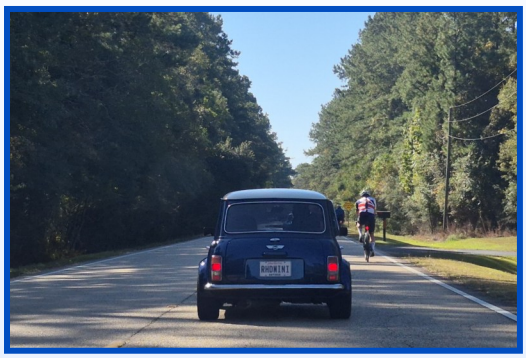

Countryside Driving October 24th

HALLOWEEN Final Friday Block Party 10-30-26

I couldn't tell if the huge crowds were there to see our LBCs or if it was just the prospect of going car to car for pounds of fresh candy. 10 of our cars were on Columbia Street, but we ran out of room for two or three more that were parked nearby. Spookiness and smiles were all around. —Meandering Muckraker

Wild in the Streets: An LBC Driver's Guide to Greater New Orleans

by Ed and Ms. Scarlett

Episode 2: Puddle or Pothole?

It's a dark and rainy night in your home parish. You're driving your LBC to a date down a typical Greater-NOLA back street with typically inadequate street lighting. The uneven, heavily patched road ahead is a checkerboard of multi-sized puddles.

But you aren't a rookie. Through your smeared windshield, you're going super-slow, searching the puddles, looking for that telltale halo of splashed out gravel. And even so, your right front tire drops suddenly and rolls into a sharp-edged cliff of asphalt. "POW!!" goes the tire. "CRUNCH!!" goes the rim. "%$#@" goes you as you steer over to the curb.

Hey, I'll just call AAA...on a rainy night…in a city??

Rriiigght; you'll need an hourglass to measure the truck's response time.

So it's test time. Do you even remember where your spare tire is and how to get it out of there? Jack? Knock-off hammer or tire iron? Jack-stand? Have all of these onboard? Are you kidding? Nobody does. And of course, it's raining even harder while you search for and find each of them.

With fear and trepidation, you press the spare's sidewall; of course it's soft! You haven't put air in it for years, if ever. But it should be more than enough to keep the rim a couple of inches off the road if you go slow enough.

So, with the rain trickling down your neck you break the nuts loose, jumping on the tire iron or whaling on the center lock nut with that ancient lead hammer. And if you have splined wire wheels, pay for never greasing them with another 5 minutes of slow back- and-forth rocking to get the wheel off. Thoroughly soaked by now, you refit the spare, tighten the lugs /center lock, drop the car down and throw the wet mess of stuff in the trunk. And promise yourself to refill the spare as soon as you get the flat fixed…and start carrying a jack stand. Rriiigght…

Meanwhile, in Baton Rouge...

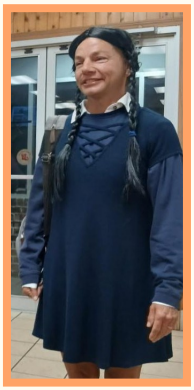

We had a nice crowd at breakfast on the 31st including a Top Gun flyer, Wednesday Adams and Uncle Fester Fleming! Also there was a Scottish rogue, Sherlock Holmes, the insane Hillbilly and... Death. Fun was had by all and even some restaurant patrons were taking our picture! Danny, Chris and Bobby drove their MGBs. *—Roving Reporter*

An Ode to British Motors

Chrome and leather, oil and grace, sweeping down a country lane;
A dripping seal, a smoky trace and Lucas electrics in the rain.
The Jaguar leaps with a silent roar, an Aston cuts the morning air,
A Mini zips from shop to store with cheeky grin and royal flair.
The Triumph TR grips the bend, an MG hums a cheerful tune,
Old faithfuls on a quiet road, beneath a greyish southern moon.
They leak a drop upon the floor. They test your patience, try your soul—
Yet turn the key and ask for more, for British charm is still the goal.

Northshore Cars and Coffee October 31st

The ghouls were out in the early morning sun this Halloween, full of coffee and spirit and looking at cars. One wore pumpkin pants, another drove a jack-o-lantern orange MG, and yet another drove an even more orange McLaren. Close by was a nearly pallid yellow but still shiny Lotus. I believe the flower is deeply connected to the underworld. Before the bright sunlight could drain their unnatural vigor, attention was drawn to low growling sounds as one by one their sleek vehicles, swift and close to the ground, made shadowy exits to the countryside.

2026 Memorial Rallye *November 1st*

The Route

Officially the E.E. Reynolds Memorial Rallye in honor of our club's founder, we also honor all club members who have passed, as well as our own families and friends. This year's drive took place on All Saints' Day. We started with 10 drivers in Madisonville, and nine finished the route to seven cemeteries, delivering flowers on the way. The Brad Mayo, Lenny Dunn and Mike Roquevert team was awarded certificates for measuring the drive's distance of 44.6 miles most accurately. Their precise estimate was 44.66 miles! The weather was iffy, but we made the run with only a spotty shower near the end. The Memorial Rallye ended at the Abita Brew Pub where we enjoyed a Sunday lunch together.

Milton Franklin

Calling all British Motorcycle Owners

We're getting more people in the club lately with motorcycles and other bikes, and that's exciting. If you come across someone who owns a British motorcycle, invite them to participate in our club. Milton Franklin, Baton Rouge, would like to organize motorcycle events for owners of British Motorcycles. Harley groups are always cruising the roads so we would like to start British motorcycle cruises. We would also like to increase the number of motorcycles at our Annual Car Show. So…Continue to look for British motorcycles to tell them about our club, and give out our business cards or direct them to our website. If you need more please contact Milton Franklin at densalprop@cox.net.
